The little two-seat Sports Spider was introduced in mid-1955 at the insistence of New York importer Max Hoffman, who saw how well small British and German sports cars were being received in America. The Giulietta Spider offered brisk performance (almost 100 mph) from its free-reving all-alloy 1.3-liter twin-cam four mounted in a steel unibody chassis that weighed less than 1900 lbs at the curb.
