Profiting from China without getting burned is currently an obsession with the international investment community.

The estimated size of the Chinese economy has just been revised upwards, making it

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

the 4th largest in the world behind the US, Japan and Germany, and ahead of the UK but the idea that investing in China is a sure-fire, get-rich-quick investment story is dangerously misleading. * The author of the bestselling *Investment Biker*, *Adventure Capitalist*, and *Hot Commodities*, is providing a book that

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

provides a window into what will soon be the most vital, most lucrative market of our time: China. * While the Chinese economy has had an annual average growth of 9.4 percent since 1978, and despite the ongoing speculation about China's future, its stock market is now emerging from a six-year low. * As

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

the Chinese economy continues to lumber toward a free marketsystem - and as the Chinese government inevitably unpegs itscurrency and opens its stock market to more foreign investment,Rogers foresees an abundance of opportunities for investors. * In this book, he shows readers not only how to take advantageof China's

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

coming dominance - what, where, how,
and when to buy - but how China will
impact individual companies, markets, and
economies around the world. * "Nobody
with blue eyes has ever made money
investing in China," the old saying goes.
Jim Rogers aims to disprove this adage.
Jim Rogers co-founded the Quantum Fund

Access Free A Bull In China Investing Profitably The

and retired at age 37. Since then, he has served as a sometime professor of finance at Columbia University's business school, and as a media commentator. He appears twice a week on Fox Business News, and is the author of three immensely successful books.

Access Free A Bull In China Investing Profitably The

The next bull market is here. It's not in stocks. It's not in bonds. It's in commodities - and some smart investors will be riding that bull to record returns in the next decade. Before Jim Rogers hit the road to write his best-selling books *Investment Biker* and *Adventure Capitalist*, he was one of the world's most

Access Free A Bull In China
Investing Profitably The
World's Greatest Market Jim
Rogers
successful investors. He co-founded the
Quantum Fund and made so much money
that he never needed to work again. Yet
despite his success, Rogers has never
written a book of practical investment
advice - until now. In Hot Commodities,
Rogers offers the low-down on the most
lucrative markets for today and tomorrow.

Access Free A Bull In China Investing Profitably The

In late 1998, gliding under the radar, a bull market in commodities began. Rogers thinks it's going to continue for at least fifteen years - and he's put his money where his mouth is: In 1998, he started his own commodities index fund. It's up 165% since then, with more than \$200 million invested, and it's the single-best

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

performing index fund in the world in any asset class. Less risky than stocks and less sluggish than bonds, commodities are where the money is - and will be in the years ahead. Rogers's strategies are simple and straightforward. You can start small - a few thousand dollars will suffice. It's all about putting your money into

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

stuff you understand, the basic materials of everyday life, like copper, sugar, cotton, corn, or crude oil. Once you recognize the cyclical and historical trading patterns outlined here, you'll be on your way. In language that is both colourful and accessible, Rogers explains why the world of commodity investing can be one of the

Access Free A Bull In China Investing Profitably The

simplest of all - and how commodities are the bases by which investors can value companies, markets, and whole economies. To be a truly great investor is to know something about commodities. For small investors and high rollers alike, Hot Commodities is as good as gold . . . or lead, or aluminium, which are some of the

Access Free A Bull In China Investing Profitably The World's Greatest Market Jim Rogers

commodities Rogers says could be as rewarding for investors.

When I was a boy, my father often pulled me aside to convey lessons intended to build what we generally refer to as "character". Often his advice was very simple — work hard, think for yourself, do

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers's
right by others — but I believe those lessons provided the foundation for everything that has followed in my life.

Now that I'm a dad myself, I wanted to put them down in one place, with examples of my own experiences, as a guide to life, adventure, and investing, both for my young daughters and for anyone seeking

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

success in his or her chosen field. I hope that parents will be inspired to give this book to their children, and vice versa, as many of the lessons that I have learned apply not just to young people but to all adults—for example, question everything, never follow the crowd, and beware of boys! What a lovely, lovely book! Though

Access Free A Bull In China Investing Profitably The

I've read all you've written, this one really touched me. It is, of course, a love letter to your daughters, which is not only a wonderful, meaningful thing to do, but it was filled with exactly the kind of advice all fathers should give. Your new book will stay on my shelf for a long, long time, and I'll be giving it to my own kids to

Access Free A Bull In China Investing Profitably The World's Greatest Market Jim Rogers

read. --Nicholas Sparks, author of The Notebook, Dear John, and The Last Song

Today, with the negative news around the Chinese economy, it is easy to forget there are several sectors in China that will outperform most other investment opportunities globally for decades to

Access Free A Bull In China Investing Profitably The

come. As investors, we want to be in those sectors and get our fair share of the growth. Jukka Blomberg - a Chinese Stock Analytics Software Creator and an active China Investor - will show you how to tap into these opportunities, in which sectors to invest, how to find the most promising stocks and how to build your position.

Access Free A Bull In China Investing Profitably The

Moreover, in this book he will help you:
To save money by illustrating the things to do and the things to avoid in China investing. To save time by presenting the majority of information on Chinese stocks in an easily digestible format. To make money by focusing on the fastest growing and most promising industries and

Access Free A Bull In China
Investing Profitably The

Drive . . . and grow rich! The bestselling author of *Investment Biker* is back from the ultimate road trip: a three-year drive around the world that would ultimately set the Guinness record for the longest continuous car journey. In *Adventure*

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

Capitalist, legendary investor Jim Rogers, dubbed “the Indiana Jones of finance” by Time magazine, proves that the best way to profit from the global situation is to see the world mile by mile. “While I have never patronized a prostitute,” he writes, “I know that one can learn more about a country from speaking to the madam of a

Access Free A Bull In China Investing Profitably The

brothel or a black marketeer than from meeting a foreign minister.” Behind the wheel of a sunburst-yellow, custom-built convertible Mercedes, Rogers and his fiancée, Paige Parker, began their “Millennium Adventure” on January 1, 1999, from Iceland. They traveled through 116 countries, including many where most

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers

have rarely ventured, such as Saudi Arabia, Myanmar, Angola, Sudan, Congo, Colombia, and East Timor. They drove through war zones, deserts, jungles, epidemics, and blizzards. They had many narrow escapes. They camped with nomads and camels in the western Sahara. They ate silkworms, iguanas, snakes,

Access Free A Bull In China Investing Profitably The

World's Greatest Market Jim
Rogers's
termites, guinea pigs, porcupines,
crocodiles, and grasshoppers. Best of all,
they saw the real world from the ground
up—the only vantage point from which it
can be truly understood—economically,
politically, and socially. Here are just a
few of the author's conclusions: • The
new commodity bull market has started. •

Access Free A Bull In China Investing Profitably The

The twenty-first century will belong to China. • There is a dramatic shortage of women developing in Asia. • Pakistan is on the verge of disintegrating. • India, like many other large nations, will break into several countries. • The Euro is doomed to fail. • There are fortunes to be made in Angola. • Nongovernmental organizations

Access Free A Bull In China Investing Profitably The

(NGOs) are a scam. • Bolivia is a comer
after decades of instability, thanks to
gigantic amounts of natural gas.

Adventure Capitalist is the most
opinionated, sprawling, adventurous
journey you're likely to take within the
pages of a book—the perfect read for
armchair adventurers, global investors, car
