philosophy, the Companion brings these texts to life by analysing what they have to tell us about the problems of political life. Focusing on texts by Homer, Herodotus, Thucydides, Plato, and Aristotle, among others, they examine perennial issues, including rights and virtues, democracy and the rule of law, community formation and maintenance, and the ways in which theorizing of several genres can and cannot assist political practice.

interpretations of the Greek history of the Classical period, from the aftermath of the Persian Wars in 478 BCE to the death of Alexander the Great in 323 BCE. It ranges over a wide array of topics, including the environment, economy, society, government, warfare, and religion. It also includes a concise narrative overview of the period, and a thorough treatment of the sources, both written and material. The volume guides readers towards a broad understanding of the history of the Classical period. It is vital reading for any student of Greek history.

Mid-fifth-century Athens saw the development of the Athenian empire, the radicalization of Athenian democracy through the empowerment of poorer citizens, the adornment of the city through a massive and expensive building program, the classical age of Athenian tragedy, the assembly of intellectuals offering novel approaches to philosophical and scientific issues, and the end of the Spartan-Athenian alliance against Persia and the beginning of open hostilities between the two greatest powers of ancient Greece. The Athenian statesman Pericles both fostered and supported many of these developments.

Download Free A Companion To Greek Democracy And The Roman Republic Blackwell

Although it is no longer fashionable to view Periclean Athens as a social or cultural paradigm, study of the history, society, art, and literature of mid-fifth-century Athens remains central to any understanding of Greek history. This collection of essays reveal the political, religious, economic, social, artistic, literary, intellectual, and military infrastructure that made the Age of Pericles possible.

Companions to the Reception of Athenian

Democracy delivers a fresh and wide-ranging analysis of the uses and reinterpretations of ancient Greek democracy from the late Middle Ages to the XXI century. The book's first section explores this history from the rediscovery of classical antiquity in the Renaissance in different countries (England, France, Germany, Italy, American Republic) and ages, while the second section focuses on philosophical movements such as Marxism and on contemporary philosophers such as Leo Strauss, Hannah Arendt and Michel Foucault; the last section examines the reception from
