BBC - History: British History in-depth
The British Empire comprised the dominions, colonies, protectorates, mandates, and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries.

The earliest known reference to the inhabitants of Great Britain may have come from 4th century BC records of the voyage of Pytheas, a Greek geographer who made a voyage of exploration around the British Isles. Although none of his own writings remain, writers during the time of the Roman Empire made much reference to them.

Great Britain - HISTORY V 6

The British Isles have witnessed intermittent periods of competition and cooperation between the people that occupy the various parts of Great Britain, the Isle of Man, Ireland, the Bailiwick of Guernsey, the Bailiwick of Jersey and the smaller adjacent islands.. Today, the British Isles contain two sovereign states: the Republic of Ireland and the United Kingdom.

History of the British Isles - Wikipedia

The canal network of the United Kingdom played a vital role in the Industrial Revolution. The canals permitted the creation of wealth, by industry, that led to the British Empire in the Victorian Era. The UK was the first country to develop a nationwide canal network, which expanded to

The Commonwealth is one of the world's oldest political associations of states. Its roots go back to the British Empire, when countries around the world were ruled by Britain. The early Commonwealth. Over time different countries of the British Empire gained different levels of freedom from Britain. Semi-independent countries were called Dominions.

Our history | The Commonwealth
The British Museum Library, founded in 1753, contained one of the world's largest collections of books, manuscripts and periodicals, both contemporary and antique, British and foreign. It was created as "one general repository" to hold the collections of Sir Hans Sloane , Sir Robert Cotton and Robert and Edward Harley .

Throughout history, ale and beer have always formed a part of the staple British diet, the brewing process itself making it a much safer option than drinking the water of the times.

Although both coffee and tea were introduced into Britain around the mid-1600s, their prohibitive prices ensured that they remained the preserve of the rich and famous. Just a few decades later however, things changed dramatically when cheap spirits, such as brandy from France and gin from Holland hit the shelves ...
