A Void - French author Georges Perec's 400-page novel where a bunch of buddies search for their missing chum Anton Vowl, an adventure yarn parodying genres like crime noir and Gothic horror, all with a variety of spins on style and wordplay - verbal monkeyshines, linguistic antics, quizzical phonetic pranks, rhetorical roguery.

A mind-bending novel from the author of *Life A User's Manual*. A Void is a great linguistic adventure and a metaphysical whodunit, chock-full of plots and subplots, of trails in pursuit of trails, all of displays Georges Perec's virtuosity as a verbal magician. It is also an outrageous verbal stunt: a 300-page novel that never once employs the letter E.

5.0 out of 5 stars *Georges Perec - A Void*. Reviewed in the United Kingdom on 12 November 2008. Remarkable! Though it is a more an intellectual exercise than an intelligible work of fiction (though, of course it *is* an intelligible work of fiction, otherwise the exercise would render itself pointless), a Void is delightful and delightfully ...

Amazon.co.uk:Customer reviews: A Void

The late Georges Perec was connected to this sort of school, and at least one intelligent English critic has thought that Perec wrote some of the most boring novels of the twentieth century. This book, however, is manifestly not one of them. Indeed it's a remarkable hoot, at times quite funny, and throughout consistently ingenious and clever. ...

Perec is noted for his constrained writing. His 300-page novel *La disparition* (1969) is a lipogram, written with natural sentence structure and correct grammar, but using only words that do not contain the letter "e". It has been translated into English by Gilbert Adair under the title *A Void* (1994).

Georges Perec - Wikipedia

A Void is an unnerving but insanely compelling work, and one which is rather hard to compare with anything else. It does have some similarities with Perec's later classic *Life A User's Manual*, but it will never be as popular.

A Void (Georges Perec) - book review

Georges Perec Excerpt. From "A Void" (one of Haig's favourite passages) Noon rings out. A wasp, making an ominous sound, a sound akin to a klaxon or a tocsin, flits about. Augustus, who has had a bad night, sits up blinking and purblind.

Georges Perec Excerpt - University of Cambridge

Perec was a French writer and a member of Oulipo from 1969 to his death in 1982. Though I have yet to read his other works (novels, play, poetry, and opera librettos, even), it is easy to see why Perec is considered a "literary experimentalist." *A Void* is a literary feat: it is, in short, a novel written without a single E in its 300 pages.

Georges Perec famously wrote a whole novel without using the letter 'e'. Now, in this playful short novel, brilliantly translated by David Bellos, Perec once again dispenses with the normal rules for literary composition, with similarly pyrotechnic results.

Georges Perec - Penguin Books

The 20 th -century French writer was one of literature's greatest eccentrics, famously writing an entire novel without using the letter 'e' (*A Void*, translated from the original *La disparition*) as well as a memoir, in which 'e' is the only vowel used.
