She has worked on many titles for Frances Lincoln including bestselling titles A Year Full of Stories and A World Full of Animal Stories. Nomadic illustrator AITCH originally hails from Romania but prefers not to put down roots in any one place; new scenery inspires and invigorates her tactile, folky illustrations and a constant string of exhibitions in cities across the continent pushes her technique further.

"There are two tails. If the metro had hit that other tail, I think it would have fallen through. Sure, it looks poetic, but it's really a stroke of luck that the train is carried by the tail," said Maarten Struijs, the artist and architect who created the whales. An investigation into the circumstances of the crash and how the train flew so far off the rails is currently underway.
