Winner of the 2010 Costa Novel Award and a Sunday Times bestseller, **THE HAND THAT FIRST HELD MINE** by Maggie O'Farrell is a gorgeously written story of love and motherhood from the author of **HAMNET** and **I AM, I AM, I AM**. When the sophisticated Innes Kent turns up on her doorstep, Lexie Sinclair realises she cannot wait any longer for her life to begin, and leaves for London. There, at the heart of the 1950s Soho art scene, she carves out a new life. In the present day, Elina and Ted are reeling from the difficult birth of their first child. Elina struggles to reconcile the demands of motherhood with her sense of herself as an artist, and Ted is disturbed by memories of his own childhood that don't tally with his parents' version of events. As Ted begins to search for answers, an extraordinary portrait of two women is revealed, separated by fifty years, but connected in ways that neither could ever have expected.

Laura Lippman, the acclaimed New York Times bestselling author of **The Most Dangerous Thing**, **I 'd Know You Anywhere**, and **What the Dead Know**, returns with an addictive story that explores how one man 's disappearance echoes through the lives of the wife, mistress, and daughters he left behind. When Felix Brewer meets Bernadette " Bambi " Gottschalk at a Valentine 's Dance in 1959, he charms her with wild promises, some of which he actually keeps. Thanks to his lucrative—if not all legal—businesses, she and their three little girls live in luxury. But on the Fourth of July, 1976, Bambi 's comfortable world implodes when Felix, newly convicted and facing prison, mysteriously vanishes. Though Bambi has no idea where her husband—or his money—might be, she suspects one woman does: his mistress, Julie. When Julie disappears ten years to the day that Felix went on the lam, everyone assumes she 's left to join her old lover—until her remains are eventually found. Now, twenty-six years after Julie went missing, Roberto " Sandy " Sanchez, a retired Baltimore detective working cold cases for some extra cash, is investigating her murder. What he discovers is a tangled web stretching over three decades that connects five intriguing women. And at the center is the missing man Felix Brewer. Somewhere between the secrets and lies connecting past and present, Sandy will find the truth. And when he does, no one will ever be the same.
