General Class License Manual - ARRL

The ARRL manual describes the background information for each section, but the concepts are not in the order found on the test, making it difficult to find the questions in the bank of 350. Both are superb books, and I recommend both, and some on-line work. It would be hard to fail the test if you use both books diligently. Good Luck and have fun.

Ham Radio License Manual - ARRL - Home

The General Class license is the second of three US Amateur Radio licenses. To upgrade to General Class, you must already hold a Technician Class license (or have recently passed the Technician license exam). Upgrading to a General license--which conveys extensive HF privileges only requires passing a written examination. Once you do, the entire range of operating modes and the majority of the ...
