Back from the Brink: The Call to Prevent Nuclear War is a national grassroots campaign seeking to fundamentally change U.S. nuclear weapons policy and lead us away from the dangerous path we are on. The initiative lays out five common-sense steps that the United States should take to reform its nuclear policy. We are asking individuals and organizations to join the effort and help build a ...

This Back from the Brink project, led by Butterfly Conservation, will restore and manage a network of woodland sites across the Rockingham Forest area, creating more habitat in which vulnerable species can thrive. We will introduce more diversity in the woodlands, increasing the complexity of the forest structure and creating more open space and habitat niches, such as dead wood. We will ...

It's surprising, as Back From The Brink proves Darling is a good egg who can string an argument together. Whatever the outcome of that debate, however, Darling can take some satisfaction from having written what is presumably destined to become a seminal piece of source material for students of the credit crunch. Etienne Hanratty: Don't Carp, Marley Tiffin Read more. 3 people found this ...

This Back from the Brink project, led by Buglife, will work with landowners and managers in key places across England. We will secure that vital continuity in some of our most iconic landscapes, focusing on 28 highly threatened species. These include the Violet Click Beetle, the Royal Splinter Cranefly, Eagle 's-claw Lichen, Coral-tooth Fungi, Knothole Moss and the Noctule Bat. We will call ...

This Back from the Brink Project includes an ambitious programme of management work across selected sites, creating the micro-habitats that key heathland species need if their populations are to expand and colonise new areas. We will target eight microhabitats, 19 localised species and an additional 16 species that are more widely dispersed across the heaths. These will range from the Large ...
