account the many changes in concert promotion; and features descriptions of new legal battles. Use this book as a helpful reference for: touring, publicity, contracts, marketing, trademarks, copywriting, enhancing creativity and much more. "Straight-forward and up-to-date, this is an easy-to-understand and all-encompassing primer for aspiring bands and managers." - Walter O'Brien, Owner, Concrete Management, Inc. (manager of Pantera and others) Dr. Stephen Marcone is Director of Music Graduate Studies and Professor of Music at William Paterson University in Wayne, New Jersey.

Offers profiles of modern composers and musicians, discusses new trends in music, and looks at the influence of ethnic, folk, and electronic music

Hailed as an “indispensable” guide (Forbes), *How to Make It in the New Music Business* returns in this extensively revised and expanded edition. When *How to Make It in the New Music Business* hit shelves in 2016, it instantly became the go-to resource for musicians eager to make a living in a turbulent industry. Widely adopted by music schools everywhere and considered “the best how-to book of its kind” (Music Connection), it inspired thousands to stop waiting around for that “big break.” Now trusted as the leading expert for “do it yourself” artists, Ari Herstand returns with this second edition, maintaining that a stable career can be built by taking advantage of the many tools at our fingertips: conquering social media, mastering the art of merchandising, embracing authentic fan connection, and simply learning how to persevere. Comprehensively updated to include the latest online trends and developments, it offers inspiring success stories across media such as Spotify and Instagram. The result is a must-have for anyone hoping to navigate the increasingly complex yet advantageous landscape that is the modern music industry.

You can make as much as you choose in the concert business. The concert business can be enjoyable as well as an experience of a lifetime. The opportunity to meet your favorite artist and hang out with your music idol is not just something you can dream about, but much more obtainable than you think. Imagine hearing your favorite song that you heard on the radio or recently witnessed the latest music video on MTV or BET -- you can get that hot artist and make the money you want to make!

The twenty-first-century art world offers performers and professionals an unrivaled variety of opportunities, but also requires a never-before-seen investment in skills beyond artistic talent. Today’s artists must build sustainable success in this new arts economy through collaborative big-idea thinking that celebrates a continual engagement in creative process. Presenting creativity as a process with unlimited applications, *The Artist Entrepreneur* empowers young artists to step into the new arts landscape and build their own careers. Along the way, the book demystifies essential business skills from self-promotion, branding, touring, and intellectual property exploitation to contracts, revenue sources, and bookkeeping. Addressing students from across the artistic spectrum, this book offers practical exercises to develop individual skills while empowering a new generation of artist entrepreneurs with the promise of a new arts economy.

From the concert stage to the dressing room, from the recording studio to the digital realm, *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of *SPIN* pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, *SPIN* is your monthly VIP pass to all that rocks.

Concert Tour Production Management deals with the business of production and sets out guidelines to follow in order to literally get the show on the road. Concert Tour Production Management provides the basic information to manage the production for a touring concert from start to finish in the most effective and efficient way possible. Beginning with an introduction to the touring concert, explaining who's who on the road, the author guides you through a tour setup using a realistic itinerary that visits different types of venues using the production manager's checklists. He also covers the role of the local promoter's production manager and how to manage a crew. The appendices provide some basic electrical formulae, a performance contract, a technical rider, a production checklist to suit most situations, and several forms to help expedite routine tasks.

MOJO magazine's 2015 Book of the Year, the outrageous true story of the Hollywood Brats—the greatest punk band you've never heard of—brilliantly told by founding member Andrew Matheson With only a guitar, a tatty copy of the Melody Maker, and his template for the perfect band, Andrew Matheson set out, in 1971, to make music history. His band, the Hollywood Brats, were pre-punk prophets—uncompromising, ultrathin, wild, and untamable. Thrown into the crazy world of the 1970s London music scene, the Brats recorded one genius-but-ignored album and ultimately fell foul of the crooks who ran a music industry that just wasn't quite ready for the punk revolution. Directly inspiring Malcolm McLaren, the Sex Pistols, and the Clash, the Hollywood Brats imploded too soon to share in the glory. Sick On You is a startling, funny, and incredibly entertaining period memoir about never quite achieving success despite flying so close to greatness.

The Artist's Guide to Success in the Music Business, 2nd Edition, is a detailed analysis of the subjects that all musicians should understand and apply to pursue a successful and sustainable career in music today.
