Scratch programming concepts
when they are away from the
computer.

**7 Programming Languages to
Teach Kids How to Code**

Get Free Basic Programming For Kids

You don't need a fancy computer or fancy app, or any technology to start teaching kids basic coding.

All you need is an understanding of how coding and programming work. In this post, we take a look at

Get Free Basic Programming For Kids

how parents and educators
can teach kids coding
without a computer, and you
don't need to be a tech
genius to do it.
