Candles in the Storm eBook by Rita Bradshaw ...
Candle in the storm. I am sitting on the large bed and looking into the mirror, trying to get a good look at myself. The power had gone out a long time ago and Mother is still searching for light. As I sit here, the storm rages on beyond the window glass without mercy or care. A fast-paced tempest that waits for no one.

Her actions during one violent storm change a young woman's life forever... Candles in the Storm is a spell-binding saga from Rita Bradshaw that follows a young woman as she faces prejudice, war and true love. Perfect for fans of Josephine Cox and Dilly Court. 'Rita's sharp, darting prose with deliciously gossipy undercurrents, perfectly portrays the fragility of lives dependent on the sea... Rita takes us into the heart of a hardy community in a novel full of local flavour, atmosphere traditions and habits' - Sunderland Echo The storm that's raging when fisherman's daughter Daisy Appleby is born in a village just north of Sunderland could be taken as a warning of a turbulent life ahead. It's during another storm fifteen years later that her father and brothers are lost and Daisy rescues William, heir of a wealthy Southwick family, with whom she falls in love. Soon, as her reward for saving him, Daisy is working for William's irascible aunt, while local lad Alf continues to court her. Warned off by Daisy's grandmother, William denies his own feelings and so it will be many years later, after much hardship and turmoil, that Daisy finds the happiness she deserves, amidst the drama of the Great War. What readers are saying about Candles in the Storm: 'The historical setting is brilliant. You feel as though you are living during those times. Sometimes your heart is in your mouth as you turn the pages' 'Best book I have read for a long time. Could not put it down' 'Was enthralled from start to finish'

This early play about coal miners struggling to improve their lives helped establish a young Tennessee Williams as a powerful new voice in American theater. The first full-length play by novice playwright Thomas Lanier Williams, Candles to the Sun opened on Thursday, March 18, 1937 and received rave reviews in the local press. The Mummers, a semi-professional and socially aware theater troupe in St. Louis, produced the play, and the combination of director Willard Holland's theater of social protest and the young Williams' talent for the dramatic depiction of poverty and its consequences proved irresistible to an audience eager for relevant social content. Set in the Red Hills coal mining section of Alabama, Candles to the Sun deals with both the attempts of the miners to unionize and the bleak lives of their families. Colvin McPherson of the St. Louis Post-Dispatch wrote that "Williams, a 25-year-old Washington University senior, is revealed not only as a writer of unusual promise but one of considerable technical skill right now . . . . His writing is rarely unsteady and his play has an emotional unity and robustness. It stands on its own feet. Its characters are genuine, its dialogue of a type that must have been uttered in the author's presence, its appeal in the theater widespread." As it turns out, Tom Williams had never met a miner in his young life. As he did for another early Williams play, Spring Storm, Dan Isaac uses his directorial skills to prepare a text of Candles to the Sun that is faithful to the 1937 production while providing readers (and actors) with a social and theatrical context. William Jay Smith, former Poet Laureate of the United States and St. Louis friend of the playwright, has contributed an illuminating foreword that touches not only on his memories of the young Tom Williams and the original production of Candles, but also on the poetic nature of Williams' writing as reflected in this play.

Will Corcoran inspires all readers as he shares the compelling stories of two young boys who both experience life-changing events as three-year-olds. The first, his son Henry, received a diagnosis of a rare, terminal illness. Henry lives life every day to the fullest, never taking no for an answer, never complaining, and always seeing the good in things and people—a wise perspective all would be lucky to have. The second boy, Will himself, survived unspeakable traumatic abuse as a child, and can't help but think that his experience has helped him understand and encourage Henry. The two stories of survival—Will's literal survival, and Henry's desire to live life to the fullest—are also stories of hope, faith, love, courage, and perspective. They are uplifting and inspirational.

This is the first novel from Keith N. Waldrop. The story of Father Timothy MacKeifer, the newest Priest that discovers he is chosen to bring back the Church after WWIII. Join his team as they have to get from New Houston to Edinburgh Scotland to launch the new Church. They have to battle the new Government, drones, armies, navies, and evil. See the miracles of Butterflies, and Hummingbirds.

Austria, 1938. After five months of Nazi rule, a young pastor's self-sacrifice rocks the city of Villach. Eva, his wife, faces the mounting danger beneath the scrutiny of a reluctant Gestapo agent. As an adventure-ready Alpine guide searches for help for two Jewish orphans, Eva wonders: is God still watching? Still listening? The implications of her husband's choice are far-reaching, and even the Gestapo must take sides. What happens when there is nowhere left to run?
