Car Audio Help & How- To Articles

If you're a total newbie
to the world of car audio
systems, then there's
just one key fact that
you should be aware of.
It isn't some byzantine
formula that's used to
calculate speaker power

File Type PDF Car Audio Help

Guide levels or optimal speaker placements. It doesn't have anything to do with squeezing every last bit out of a car audio capacitor or adding an additional battery.
