Open this book and step into America's court system! With Neubauer and Fradella's best-selling text, you will see for yourself what it is like to be a judge, a prosecutor, a defense attorney, and more. This fascinating and well-researched text gives you a realistic sense of being in the courthouse--you will quickly gain an understanding of what it is like to work in and be a part of the American criminal justice system. This concept of the courthouse "players" makes it easy to understand each person's important role in bringing a case through the court process. Throughout the text, the authors highlight not only the pivotal role of the criminal courts but also the court's importance and impact on society as a whole.

An enraging, necessary look at the private prison system, and a convincing clarion call for prison reform.” —NPR.org New York

Times Book Review 10 Best Books of 2018 * One of President Barack Obama's favorite books of 2018 * Winner of the 2019 J. Anthony Lukas Book Prize * Winner of the Helen Bernstein Book Award for Excellence in Journalism * Winner of the 2019 RFK Book and Journalism Award * A New York Times Notable Book A ground-breaking and brave inside reckoning with the nexus of prison and profit in America: in one Louisiana prison and over the course of our country's history. In 2014, Shane Bauer was hired for \$9 an hour to work as an entry-level prison guard at a private prison in Winnfield, Louisiana. An award-winning investigative journalist, he used his real name; there was no meaningful background check. Four months later, his employment came to an abrupt end. But he had seen enough, and in short order he wrote an exposé about his experiences that won a National Magazine Award and became the

most-read feature in the history of the magazine Mother Jones. Still, there was much more that he needed to say. In *American Prison*, Bauer weaves a much deeper reckoning with his experiences together with a thoroughly researched history of for-profit prisons in America from their origins in the decades before the Civil War. For, as he soon realized, we can't understand the cruelty of our current system and its place in the larger story of mass incarceration without understanding where it came from. Private prisons became entrenched in the South as part of a systemic effort to keep the African-American labor force in place in the aftermath of slavery, and the echoes of these shameful origins are with us still. The private prison system is deliberately unaccountable to public scrutiny. Private prisons are not incentivized to tend to the health of their inmates, or to feed them well, or to attract and retain a highly-

Read Online Corrections In America 13th Edition

trained prison staff. Though Bauer befriends some of his colleagues and sympathizes with their plight, the chronic dysfunction of their lives only adds to the prison's sense of chaos. To his horror, Bauer finds himself becoming crueler and more aggressive the longer he works in the prison, and he is far from alone. A blistering indictment of the private prison system, and the powerful forces that drive it, *American Prison* is a necessary human document about the true face of justice in America.

A condensed, more accessible version of the best-selling corrections book on the market, *AMERICAN CORRECTIONS IN BRIEF*, 3rd Edition, introduces students to the dynamics of corrections in a way that captures their interest and encourages them to enter the field. Corrections/Probation and Parole courses An insider's view of the rapidly changing field of community corrections/probation and parole Probation and Parole: Corrections in the Community, Thirteenth Edition, looks at the history of the field, and how it moved from a focus on treatment/rehabilitation and the indeterminate sentence toward a model based on control/law enforcement and the determinate sentence. Written by a former community corrections professional, the author provides an insider's view on how these changes affected the roles and responsibilities of probation and parole officers. In contrast to competing texts, the author weaves his experience with the practices of probation and parole agencies throughout the United States to provide a realistic, state-of-the-art view of the field. Cutting-edge topics examined and critiqued include: restorative justice, broken

windows/community-based supervision, place-based supervision, evidence-based practice, motivational interviewing, cognitive-behavioral therapy, "truth-in-sentencing" and "three-strikes-and-you're-out". Additionally, this edition features a thorough examination of how "tough on crime" and "war on drugs" has resulted in a need for "justice reinvestment" and a new focus on community-based correction.

A "persuasive and essential" (Matthew Desmond) work that will forever change how we look at life after prison in America through Miller's "stunning, and deeply painful reckoning with our nation's carceral system" (Heather Ann Thompson) Each year, more than half a million Americans are released from prison and join a population of twenty million people who live with a felony record.

Read Online Corrections In America 13th Edition

Reuben Miller, a chaplain at the Cook County Jail in Chicago and is now a sociologist studying mass incarceration, spent years alongside prisoners, ex-prisoners, their friends, and their families to understand the lifelong burden that even a single arrest can entail. What his work revealed is a simple, if overlooked truth: life after incarceration is its own form of prison. The idea that one can serve their debt and return to life as a full-fledge member of society is one of America's most nefarious myths. Recently released individuals are faced with jobs that are off-limits, apartments that cannot be occupied and votes that cannot be cast. As *The Color of Law* exposed about our understanding of housing segregation, *Halfway Home* shows that the American justice system was not created to rehabilitate. Parole is structured to keep classes of Americans impoverished, unstable, and disenfranchised long after they've paid

Read Online Corrections In America 13th Edition

their debt to society. Informed by Miller's experience as the son and brother of incarcerated men, captures the stories of the men, women, and communities fighting against a system that is designed for them to fail. It is a poignant and eye-opening call to arms that reveals how laws, rules, and regulations extract a tangible cost not only from those working to rebuild their lives, but also our democracy. As Miller searchingly explores, America must acknowledge and value the lives of its formerly imprisoned citizens.

Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—"one of the most influential books of the past 20 years," according to the Chronicle of Higher

Education—with a new preface by the author “It is in no small part thanks to Alexander’s account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system.” —Adam Shatz, London Review of Books

Seldom does a book have the impact of Michelle Alexander’s *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander’s unforgettable

Read Online Corrections In America 13th Edition

argument that “we have not ended racial caste in America; we have merely redesigned it.” As the Birmingham News proclaimed, it is “undoubtedly the most important book published in this century about the U.S.” Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

Lockdown America documents the horrors and absurdities of militarized policing, prisons, a fortified border, and the war on drugs. Its accessible and vivid prose makes clear the links between crime and politics in a period of gathering economic crisis.
