The Champion of the World is a brilliant gem of a short story from Roald Dahl, the master of the sting in the tail. In The Champion of the World, Roald Dahl, one of the world's favourite authors, tells a funny story about low cunning in the country. Here, a pair of poachers discover a foolproof way to bag pheasants . . . The Champion of the World is taken from the short story collection Kiss Kiss, which includes ten other devious and shocking stories, featuring the wife who pawns the mink coat from her lover with unexpected results; the priceless piece of furniture that is the subject of a deceitful bargain; a wronged woman taking revenge on her dead husband, and others. 'Unnerving bedtime stories, subtle, proficient, hair-raising and done to a turn.' (San Francisco Chronicle ) This story is also available as a Penguin digital audio download read by Stephen Mangan. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

This book is about a most private and secret habit my father had, and about the strange adventures it led us both into... Danny thinks the world of his father, who has looked after him ever since his mother died, when he was just four months old. But as he grows up, Danny discovers that his father's secret spells adventure and trouble for both of them.

Roald Dahl.

My name is Danielle. I'm eighteen. I've been stealing things for as long as I can remember. Dani has been trained as a thief by the best—her mother. Together, they move from town to town, targeting wealthy homes and making a living by stealing antique silver. They never stay in one place long enough to make real connections, real friends—a real life. In the beach town of Heaven, though, everything changes. For the first time, Dani starts to feel at home. She's making friends and has even met a guy. But these people can never know the real Dani—because of who she is. When it turns out that her new friend lives in the house they've targeted for their next job and the cute guy is a cop, Dani must question where her loyalties lie: with the life she's always known—or the one she's always wanted.

'Human beans is not really believing in giants, is they? Human beans is not thinking we exist.' On a dark, silvery moonlit night, Sophie is snatched from her bed by a giant. Luckily it is the Big Friendly Giant, the BFG, who only eats snozzcumbers and glugs frobscottle. But there are other giants in Giant Country. Fifty foot brutes who gallop far and wide every night to find human beans to eat. Can Sophie and her friend the BFG stop them?
