Digitizing Collections Strategic Issues For

Part Two of the book, Digitizing Collections, covers many of the complex issues involved in the day-to-day running of a digitization project, such as developing (and keeping to) a project plan, finding funding for digitization projects, and project management, including issues regarding staff, technology, workflow, quality assurance, standards, metadata and the preservation and maintenance of digital data, as well as the reasons digitization projects can fail. Three chapters are then devoted ...
