The best examples of accounting and finance personal statements include evidence to support all their claims. E.g. if a student says they are financially minded in their account and finance personal statement, they might mention a time when they managed the money in a school charity event, or something like that.

Do-It-Yourself (DIY) Investing Definition

Personal financial management is a daunting and continuous task that can cause even the most economically savvy individual to become confused or short-sighted. Indeed, in a world where assets and investments move quickly and we link our bank accounts to innumerable services and make purchases with the touch of a button, financial management is a trickier concept than ever before.

Personal Financial Management | Skills You Need
