Written in a clear, engaging style, Plunkett ' s Procedures for the Medical Administrative Assistant, 5th Edition provides instruction for all the essential office procedures required by today's medical office administrative assistants in Canada — whether they work in a medical office, a complementary care office, or in a hospital setting. It contains the most current information available in the field, and specifically reflects health care in Canada. Chapters address the diverse skills and knowledge required by a medical office administrative assistant, such as good communication, privacy, customer service, stress management, medical transcription, filing, appointment booking, physical and virtual meetings, billing (ICD-10-CA), and more. This new edition covers Electronic Medical Records (EMR), and features an eye-catching new four colour design and a new Evolve companion site with invaluable instructor and student resources. Written in an accessible, clear, engaging, and easy to understand style. Key terms, learning objectives, end-of-chapter assignments, and discussion questions throughout. Examples and exercises delve deeper into topic areas. Extensive offering of working papers and templates allow for extra practice on tasks and scenarios encountered in

The seventh edition of the Canadian Immunization Guide was developed by the National Advisory Committee on Immunization (NACI), with the support of the Immunization and Respiratory Infections Division, Public Health Agency of Canada, to provide updated information and recommendations on the use of vaccines in Canada. The Public Health Agency of Canada conducted a survey in 2004, which confirmed that the Canadian Immunization Guide is a very useful and reliable resource of information on immunization.
