In the dark days after the death of Richard the Lionhearted, lives and lands would fall into upheaval at the hands of a power-hungry British ruler and his violent minions. One victim of the scourge is innocent Gillian, who is a mere child when the cruel and ambitious Baron Alford slaughters her father and tears her family apart. Alford, determined to recover a jeweled box for the despotic King John, is furious when the precious treasure slips through his fingers—only to be lost for more than a decade. Now a beautiful young woman, Gillian finds the key to resolving her past in handsome Scottish chieftains Ramsey Sinclair and Brodick Buchanan. With the cunning and courage of the daring Scotsmen, and with the friendship of a new ally, Bridgid KirkConnell, Gillian at last fights the unscrupulous Baron Alford, laying claim to her home, her family, and her father's reputation. But in the presence of the mighty warriors, Gillian and Bridgid discover that desire can be a weapon of conquest, betrayal can slay trust in a heartbeat, and the greatest risk of all is to surrender to unexpected love.

But behind her gorgeous face is a brilliant mind for computers and her real love is writing—and hacking—code. Her dream is to write a new security program that could revolutionize the tech industry. Hotshot FBI agent Liam Scott has a problem: a leak deep within his own department. He needs the skills of a top-notch hacker to work on a highly sensitive project: to secretly break into the FBI servers and find out who the traitor is. But he can't use one of his own. He finds the perfect candidate in Allison. Only, there's one problem—she wants nothing to do with his job and turns him down flat. What Liam doesn't know is that Allison is hiding secrets that she doesn't want the FBI to uncover. But Liam will do nearly anything to persuade her to join his team, even break a few rules if that's what it takes. A temptation that could put his job—and both of their futures—on the line...

A beautiful English lady falls for a Scottish highlander in this delightful historical romance from #1 New York Times bestselling author Julie Garwood. Judith Hampton was as beautiful as she was proud and loyal. Her dear Scottish friend from childhood was about to give birth, and Judith had promised to be at her side. In a spirited clash of wills and customs, Judith reveled in the melting bliss of Iain's searching kisses, his passionate caresses. Perplexed by her sprightly defiance, bemused by her tender nature, Iain felt his soul growing into the light and warmth of her love. Surely nothing would wrench her from the affection and trust of Iain and his clan...not even the truth about her father, a devastating secret that could shatter the boldest alliance, and the most glorious of loves!
