Georgia Education Standards of Excellence. The functions of an economy depend largely on the goods and services that are created by the producers. In any economy, the consumers are the people who buy or exchange money or goods, and without the demand or need for goods the economy would be unsuccessful. The difference in the cost of retail sale and the cost of production is the meaning of profit for a business, and is also the goal of producers and businesses.

Every major measure of students' historical understanding since 1917 has demonstrated that students do not retain, understand, or enjoy their school experiences with history. Bruce Lesh believes that this is due to the way we teach history -- lecture and memorization. Over the last fifteen years, Bruce has refined a method of teaching history that mirrors the process used by historians, where students are taught to ask questions of evidence and develop historical explanations. --from publisher description.
