"Compact first second edition is a concise course which thoroughly prepares B2- level students for all four papers of the revised Cambridge English : First, also known as First Certificate in English (FCE). 10 units provide 50-60 hours of core material to maximise students' performance"-- Back cover.

Learning English as a second language can be daunting for beginners, and one of the major areas in which a lack of proficiency can surface is in essay writing. Although it can be intimidating, this guide seeks to help allay the fears that confront students. Author Phil Rashid uses his many years of experience teaching English as a second language to show students how to construct a clearly written essay. He starts at the beginning, going through the basics of writing paragraphs, as many students lose exam marks by not adhering to the basic principles of writing. He explains the essential difference between titles and topics, the significance of the opening paragraph, and the importance of sticking to the main point of the essay. Rashid takes you through to writing a conclusion in order to wrap up your essay coherently and effectively. By following the guidelines and suggestions in *How to Write an Essay*, you can approach essay writing not with dread, but with confidence.

conventions and methods of essay and dissertation writing. Taking students through the various stages of writing, from planning to final submission, it offers specific guidelines and a lively, detailed commentary on actual examples of student work at each stage.

With a focus on outcomes-based education, this business communication manual caters to the needs of students of business communication at universities, technikons, and private colleges with updated information on writing e-mail messages and using the Internet. Adopting the premise that poor communication can cost an organization business and competitive status in the marketplace, this text focuses on refining and clarifying the products of communication within the company and with the public. Particular focus is paid to interpersonal conversation in small groups, formal meetings, and interviews; written clarity in internal business plans, e-mails, and memos; accessible materials for mass communication and public relations; and rules of basic grammar and punctuation. Examples of all mentioned tools are provided along with the theory and practice of their use.
