Fabrics and Pattern Cutting: Aldrich, Winifred ...

There are two main ways to make a pattern - flat pattern making, and draping. Flat pattern making involves taking a basic flat pattern (sloper), and altering it to the desired style in flat paper form through cutting, measuring, and taping. An easy example to visualize is if you had a straight skirt, and wanted it to be A-Line.

How to Use a Dress Form : 8 Steps (with Pictures ...

The draping method involves creating a muslin mock-up pattern by pinning fabric directly on a form, then transferring the muslin outline and markings onto a paper pattern or using the muslin as the pattern itself.. Designers drafting an evening gown or a sculpted dress which uses a lot of fabric, typically cut on the bias, will use the draping technique, as it is very difficult to produce with a flat pattern.
