From award-winning author G. Willow Wilson, *The Bird King* is an epic journey set during the reign of the last sultan in the Iberian peninsula at the height of the Spanish Inquisition. G. Willow Wilson ' s debut novel *Alif the Unseen* was an NPR and Washington Post Best Book of the Year, and it established her as a vital American Muslim literary voice. Now she delivers *The Bird King*, a stunning new novel that tells the story of Fatima, a concubine in the royal court of Granada, the last emirate of Muslim Spain, and her dearest friend Hassan, the palace mapmaker. Hassan has a secret—he can draw maps of places he ' s never seen and bend the shape of reality. When representatives of the newly formed Spanish monarchy arrive to negotiate the sultan ' s surrender, Fatima befriends one of the women, not realizing that she will see Hassan ' s gift as sorcery and a threat to Christian Spanish rule. With their freedoms at stake, what will Fatima risk to save Hassan and escape the palace walls? As Fatima and Hassan traverse Spain with the help of a clever jinn to find safety, *The Bird King* asks us to consider what love is and the price of freedom at a time when the West and the Muslim world were not yet separate.

The New York Times bestseller Shortlisted for the 2020 Financial Times & McKinsey Business Book of the Year Netflix cofounder Reed Hastings reveals for the first time the unorthodox culture behind one of the world's most innovative, imaginative, and successful companies There has never before been a company like Netflix. It has led nothing short of a revolution in the entertainment industries, generating billions of dollars in annual revenue while capturing the imaginations of hundreds of millions of people in over 190 countries. But to reach these great heights, Netflix, which launched in 1998 as an online DVD rental service, has had to reinvent itself over and over again. This type of unprecedented flexibility would have been impossible without the counterintuitive and radical management principles that cofounder Reed Hastings established from the very beginning. Hastings rejected the conventional wisdom under which other companies operate and defied tradition to instead build a culture focused on freedom and responsibility, one that has allowed Netflix to adapt and innovate as the needs of its members and the world have simultaneously transformed. Hastings set new standards, valuing people over process, emphasizing innovation over efficiency, and giving employees context, not controls. At Netflix, there are no vacation or expense policies. At Netflix, adequate performance gets a generous severance, and hard work is irrelevant. At Netflix, you don ' t try to please your boss, you give candid feedback instead. At Netflix, employees don ' t need approval, and the company pays top of market. When Hastings and his team first devised these unorthodox principles, the implications were unknown and untested. But in just a short period, their methods led to unparalleled speed and boldness, as Netflix quickly became one of the most loved brands in the world. Here for the first time, Hastings and Erin Meyer, bestselling author of *The Culture Map* and one of the world ' s most influential business thinkers, dive deep into the controversial ideologies at the heart of the Netflix psyche, which have generated results that are the envy of the business world. Drawing on hundreds of interviews with current and past Netflix employees from around the globe and never-before-told stories of trial and error from Hastings ' s own career, *No Rules Rules* is the fascinating and untold account of the philosophy behind one of the world ' s most innovative, imaginative, and successful companies.

The Kindle Paperwhite is an incredibly useful and versatile technology that looks as much on its own as an e-reader. In earlier times, large libraries could occupy entire huge buildings, and it could be costly and inconvenient for people to collect large amounts of books. The Paperwhite, on the other hand, is like a complete library of knowledge that fits in your backpack, briefcase or purse. It's no wonder that e-book readers are becoming more and more popular these days. But, as with all new technologies, you need to know how to use them to get the most out of them, no matter how advanced or practical they may be. This user guide focuses on how to get the most out of your Kindle Paperwhite. Here are is a preview of this book: What is Kindle Paperwhite e-reader? How to setup your Kindle Paperwhite How to use the touch screen How to fix problems specifically a slow device An unboxing of the new Kindle Paperwhite. This lessons are discussed in this simple manual. Hit the Buy now with one click to grab a copy of this book to get the maximum benefit.
