Mercury Sable (2008 - 2009) Chilton |  
Haynes Manuals

For its entire production life, the Sable served as the Mercury counterpart of the Ford Taurus (no Sable equivalent of the Taurus SHO was ever produced), slotted below the Grand Marquis. From the 1986 to 2005 model years, the Sable was produced as a mid-size vehicle; four-door sedan and five-door station wagon body styles were offered.
