The history of French wine, spans a period of at least 2600 years dating to the founding of Massalia in the 6th century BC by Phocaeans with the possibility that viticulture existed much earlier. The Romans did much to spread viticulture across the land they knew as Gaul, encouraging the planting of vines in areas that would become the well known wine regions of Bordeaux, Burgundy, Alsace, Champagne, Languedoc, Loire Valley and the Rhone. Over the course of its history, the French wine industry

History of French wine - Wikipedia

The origins of the world famous vineyards. It is likely that the Greeks and Romans introduced vines to France and found perfect growing conditions in many areas. As in many other European countries once under rule of the Roman Empire, wine became a part of daily life and a trading commodity by the time the Romans left.
