Holler If You Hear Me: Searching for Tupac Shakur...

In this time of narrowed curricula and high-stakes accountability, Gregory Michie’s tales of struggle and triumph in Holler If You Hear Me: The Education of a Teacher and His Students are as relevant as ever. Since it was first published in 1999, Holler has become essential reading for new and seasoned teachers alike, and is an inspiring read for others. Weaving back and forth between Michie’s awakening as a teacher and the first-person stories of his students, this highly acclaimed book paints an intimate and compassionate portrait of teaching and learning in urban America. While the popular notion of what it’s like to teach in urban schools is one dominated by horror stories and hero tales, Michie and his students reside somewhere between these extremes, “between the miracles and the metal detectors.”

With a new preface by the author. Ten years after his murder, Tupac Shakur is even more loved, contested, and celebrated than he was in life. His posthumously released albums, poetry, and motion pictures have catapulted him into the upper echelon of American cultural icons. In Holler If You Hear Me, “hip-hop intellectual” Michael Eric Dyson, acclaimed author of the bestselling Is Bill Cosby Right?, offers a wholly original way of looking at Tupac that will thrill those who already love the artist and enlighten those who want to understand him.

With a new preface by the author. Ten years after his murder, Tupac Shakur is even more loved, contested, and celebrated than he was in life. This graphic memoir of teaching in urban America is a brilliant reimagining of the classic text by Gregory Michie, Holler If You Hear Me: The Education of a Teacher and His Students. Michie is joined by illustrator Ryan Alexander-Tanner and 10 artists—most of them young people of color—to bring a fresh, vibrant energy to the original tale of struggle and hope in the classroom. First published in 1999, the text has become one of the most enduring teacher memoirs of our time. Using comics to tell the story, this edition weaves back and forth, like the original, between Michie’s awakening as a young teacher and the first-person stories of his students. Set in 1990s Chicago, but startlingly relevant today, this powerful adaptation of a long-time educator favorite is sure to inspire a new generation of teachers, students, and anyone who is concerned about the future of public education. “It is a great and marvelous thing to be reminded that to change the world we need only to change ourselves. Greg Michie and his students give me that hope.” —Sandra Cisneros, author of The House on Mango Street “Individually and as a collection, these stories remind educators of their primary purpose: to fully see the young people they teach with and learn from each day. Interpreted and adapted by a group of incredible young artists, this new edition is a particular gift to those eager to see with young people, shifting our lens toward empathy and justice as we learn the value of seeing school through their eyes.” —Carla Shalaby, Coordinator of Social Justice Initiatives and Community Internships, University of Michigan School of Education “What moved me when I first read Holler years ago as a new teacher, and moves me even more now with the new graphic novel, is Greg’s willingness to keep listening to young people, to keep valuing their inherent brilliance, and to keep seeking ways to make his instruction respond directly to relevant issues. I cannot wait to share Holler If You Hear Me, Comic Edition.” —Kim Parker, cofounder of #DisruptTexts, and assistant director of the Teacher Training Center at the Shady Hill School in Cambridge, Massachusetts

"Buried as a g while tha whole world remembers me" --Tupac Shakur, from "Until the End of Time" Tupac Shakur was larger than life. A gifted rapper, actor, and poet, he was fearless, prolific, and controversial--and often said that he never expected to live past the age of thirty. He was right. On September 13, 1996, he died of gunshot wounds at age twenty-five. But even ten years after Tupac's tragic passing, the impact of his life and talent continues to flourish. Lauded as one of the greatest hip-hop artists of all time, Tupac has sold more than sixty-seven million records worldwide, making him the top-selling rapper ever. How Long Will They Mourn Me? celebrates Tupac's unforgettable life--his rise to fame; his tumultuous dark side marked by sex, drugs, and violence; and the indelible legacy he left behind. Although Tupac's murder remains unsolved, the spirit of this legendary artist is far from forgotten. How long will we mourn him? Fans worldwide will grieve his untimely death for a long time to come.

A passionate, critically incisive biography of one of the most influential rappers of all time, Tupac Shakur, and how he came to dominate hip-hop in the 1990s

In an instant, a life changes forever. After he falls from a scaffold on the construction site where he works, the comatose David is visited daily by his wife, Caroline, and their six-year-old son Bertrand—but despite their devoted efforts, there’s no crossing the ineffable divide between consciousness and the mysterious world David now inhabits. A moving story of love and mourning, elegantly translated by Lazer Lederhendler, If You Hear Me asks what it means to be alive and how we learn to accept the unacceptable.

Over the last 20 years, Michael Eric Dyson has become one of America’s most visible—and quotable—public intellectuals. Whether in his sixteen books, or in countless newspapers, television and radio appearances, or on stages, podiums, and pulpits across the world, Dyson has spun an enchanting web of words that has caught the attention of the masses and elites alike. He has weighed in on a myriad array of topics – from faith to fatherhood, and from race to sex, as well as sports, manhood, gender, music, leadership, politics, language, love, justice, literature, suffering, death, hope, relationships and much, much more. Can You Hear Me Now?, offers a sampling of Dyson’s sharp wit, profound thought, and edifying eloquence on the enduring problems of humanity, from love to justice, and the latest topics of the day, including race and the presidency. It is both revealing and relevant, and at once thoughtful provoking and uplifting. Whether he is writing about Jay-Z or Barack Obama, addressing racial catastrophes or opportunities, or speaking about religion or the felicities of King’s rhetoric, Dyson’s intellect shines with insight and inspiration. Can You Hear Me Now? captures Dyson’s incredible facility with words, and his prodigious intelligence, at a time when he has gained greater fame as a public intellectual, university professor, best-selling author, and most recently, as one of the first prominent blacks to endorse President Barack Obama. The time is ripe for his wit, wisdom and worldview, and this book is Dyson’s most accessible compendium of thinking on a broad range of topics that haunt and shape the nation.

After a decade as an education professor, Greg Michie decided to return to his teaching roots. He went back to the same Chicago neighborhood, the same public school, and the same grade level and subject he taught in the 1990s. But much had changed—both in schools and in the world outside them. Same As It Never Was chronicles Michie’s efforts to navigate the new realities of public schooling while also trying to rediscover himself as a teacher. Against a backdrop of teacher strikes and anti-testing protests, the movement for Black lives and the deepening of anti-immigrant sentiment, this book invites readers into an award-winning teacher’s classroom as he struggles to teach toward equity and justice in a time where both are elusive for too many children in our nation’s schools. Book Features: A follow-up to the author’s bestseller, Holler If You Hear Me, a long-time staple in teacher education programs. An examination of current issues, such as the importance of teacher unions, anti-racist/culturally relevant teaching, resistance to standardized testing, teacher evaluation, and the political nature of teaching. A rare memoir of a professor returning to public school teaching that will inform and inspire a broad audience.

New York Times Bestseller - Washington Post Bestseller - Pitchfork Book Club selection The Rap Year Book takes readers on a journey that begins in 1979, widely regarded as the moment rap became recognized as part of the cultural and musical landscape, and comes right up to the present. Shea Serrano deftly pays homage to the most important song of each year. Serrano also examines the most important moments that surround the history and culture of rap music—from artists’ backgrounds to issues of race, the rise of hip-hop, and the struggles among its major players—both personal and professional. Covering East Coast and West Coast, famous rapper feuds, chart toppers, and show stoppers, The Rap Year Book is an in-depth look at the most influential genre of music to come out of the last generation. Complete with infographics, lyric maps, hilarious and informative footnotes, portraits of the artists, and short essays by other prominent music writers, The Rap Year Book is both a narrative and illustrated guide to the most iconic and influential rap songs ever created.
