While this is a question best answered in the context of your unique talent strategy -- what it will take to execute that strategy to drive organization success and what role HR plays in making that happen -- benchmarks can sometimes provide a helpful reference point. Bloomberg BNA's 2017 HR Department Benchmarks and Analysis Report (its 40th annual HR benchmarking study), based on the responses of 681 U.S. HR executives and professionals, supplies some data points for consideration.
