National Indie Bestseller The trailblazing Supreme Court Justice Ruth Bader Ginsburg in her own words. Her most essential writings on gender equality and women's rights, reproductive health care, and voting and civil rights, now available in a short, accessible volume as part of the new Penguin Liberty series. A Penguin Classic With the Penguin Liberty series by Penguin Classics, we look to the U.S. Constitution's text and values, as well as to

Acces PDF | Dissent Ruth Bader Ginsburg Makes Her Mark

American history and some of the country's most important thinkers, to discover the best explanations of our constitutional ideals of liberty. Through these curated anthologies of historical, political, and legal classic texts, Penguin Liberty offers everyday citizens the chance to hear the strongest defenses of these ideals, engage in constitutional interpretation, and gain new (or renewed) appreciation for the values that have long inspired the nation. Questions of liberty affect both our daily lives and our country's values, from what we can say to whom we can marry, how society views us to how we determine our leaders. It is Americans' great privilege that we live under a Constitution that both protects our liberty and allows us to debate what that liberty should mean.

A rhetorical analysis of Justice Ruth Bader Ginsburg's feminist

jurisprudence.

NEW YORK TIMES BESTSELLER Featured in the forthcoming documentary, RBG "The authors make this unassuming, most studious woman come pulsing to life. . . . Notorious RBG may be a playful project, but it asks to be read seriously. . . . That I responded so personally to it is a testimony to [its] storytelling and panache." Jennifer Senior, New York Times Supreme Court Justice Ruth Bader Ginsburg never asked for fame—she has only tried to make the world a little better and a little freer. But nearly a half-century into her career, something funny happened to the octogenarian: she won the internet. Across America, people who weren't even born when Ginsburg first made her name as a feminist pioneer are tattooing themselves with her face, setting her famously searing dissents to

Acces PDF | Dissent Ruth Bader Ginsburg Makes Her Mark

music, and making viral videos in tribute. Notorious RBG, inspired by the Tumblr that amused the Justice herself and brought to you by its founder and an award-winning feminist journalist, is more than just a love letter. It draws on intimate access to Ginsburg's family members, close friends, colleagues, and clerks, as well an interview with the Justice herself. An original hybrid of reported narrative, annotated dissents, rare archival photos and documents, and illustrations, the book tells a never-before-told story of an unusual and transformative woman who transcends generational divides. As the country struggles with the unfinished business of gender equality and civil rights, Ginsburg stands as a testament to how far we can come with a little chutzpah.

Tracing the long history of Ruth Bader Ginsburg's work for gender

Acces PDF | Dissent Ruth Bader Ginsburg Makes Her Mark

equality and a "more perfect Union" In the fall of 2019, Justice Ruth Bader Ginsburg visited the University of California, Berkeley School of Law to deliver the first annual Herma Hill Kay Memorial Lecture in honor of her friend, the late Herma Hill Kay, with whom Ginsburg had coauthored the very first casebook on sex-based discrimination in 1974. Justice, Justice Thou Shalt Pursue is the result of a period of collaboration between Ginsburg and Amanda L. Tyler, a Berkeley Law professor and former Ginsburg law clerk. During Justice Ginsburg's visit to Berkeley, she told her life story in conversation with Tyler. In this collection, the two bring together that conversation and other materials—many previously unpublished—that share details from Justice Ginsburg's family life and long career. These include notable briefs and oral arguments, some of Ginsburg's last speeches, and her favorite opinions that she

Acces PDF | Dissent Ruth Bader Ginsburg Makes Her Mark

wrote as a Supreme Court Justice (many in dissent), along with the statements that she read from the bench in those important cases. Each document was chosen by Ginsburg and Tyler to tell the story of the litigation strategy and optimistic vision that were at the heart of Ginsburg's unwavering commitment to the achievement of "a more perfect Union." In a decades-long career, Ruth Bader Ginsburg was an advocate and jurist for gender equality and for ensuring that the United States Constitution leaves no person behind. Her work transformed not just the American legal landscape, but American society more generally. Ginsburg labored tirelessly to promote a Constitution that is ever more inclusive and that allows every individual to achieve their full human potential. As revealed in these pages, in the area of gender rights, Ginsburg dismantled long-entrenched systems of discrimination based on

Acces PDF | Dissent Ruth Bader Ginsburg Makes Her Mark

outdated stereotypes by showing how such laws hold back both genders. And as also shown in the materials brought together here, Justice Ginsburg had a special ability to appreciate how the decisions of the high court impact the lived experiences of everyday Americans. The passing of Justice Ruth Bader Ginsburg in September 2020 as this book was heading into production was met with a public outpouring of grief. With her death, the country lost a hero and national treasure whose incredible life and legacy made the United States a more just society and one in which "We the People," for whom the Constitution is written, includes everyone.

NATIONAL BESTSELLER "A vivid account of a remarkable life."
--The Washington Post In this comprehensive, revelatory
biography--fifteen years of interviews and research in the
making--historian Jane Sherron De Hart explores the central
experiences that crucially shaped Ginsburg's passion for justice, her
advocacy for gender equality, and her meticulous jurisprudence. At
the heart of her story and abiding beliefs is her Jewish background,
specifically the concept of tikkun olam, the Hebrew injunction to
"repair the world," with its profound meaning for a young girl who
grew up during the Holocaust and World War II. Ruth's journey
begins with her mother, who died tragically young but whose

Acces PDF | Dissent Ruth Bader Ginsburg Makes Her Mark

intellect inspired her daughter's feminism. It stretches from Ruth's days as a baton twirler at Brooklyn's James Madison High School to Cornell University to Harvard and Columbia Law Schools; to becoming one of the first female law professors in the country and having to fight for equal pay and hide her second pregnancy to avoid losing her job; to becoming the director of the ACLU's Women's Rights Project and arguing momentous anti-sex discrimination cases before the U.S. Supreme Court. All this, even before being nominated in 1993 to become the second woman on the Court, where her crucial decisions and dissents are still making history. Intimately, personally told, this biography offers unprecedented insight into a pioneering life and legal career whose profound mark on American jurisprudence, American society, and our American character and spirit will reverberate deep into the

twenty-first century and beyond. REVISED AND UPDATED
WITH A NEW AFTERWORD

In her own words, Ruth Bader Ginsburg offers an intimate look at her life and career, through an extraordinary series of conversations with the head of the National Constitution Center. This remarkable book presents a unique portrait of Justice Ruth Bader Ginsburg, drawing on more than twenty years of conversations with Jeffrey Rosen, starting in the 1990s and continuing through the Trump era. Rosen, a veteran legal journalist, scholar, and president of the National Constitution Center, shares with us the justice's observations on a variety of topics, and her intellect, compassion, sense of humor, and humanity shine through. The affection they have for each other as friends is apparent in their banter and in their

Acces PDF | Dissent Ruth Bader Ginsburg Makes Her Mark

shared love for the Constitution—and for opera. In *Conversations with RBG*, Justice Ginsburg discusses the future of *Roe v. Wade*, her favorite dissents, the cases she would most like to see overruled, the #MeToo movement, how to be a good listener, how to lead a productive and compassionate life, and of course the future of the Supreme Court itself. These frank exchanges illuminate the steely determination, self-mastery, and wit that have inspired Americans of all ages to embrace the woman known to all as “Notorious RBG.” Whatever the topic, Justice Ginsburg always has something interesting—and often surprising—to say. And while few of us will ever have the opportunity to chat with her face-to-face, Jeffrey Rosen brings us by her side as never before. *Conversations with RBG* is a deeply felt portrait of an American hero.

Acces PDF I Dissent Ruth Bader Ginsburg Makes Her Mark

From the New York Times bestselling author of *I Dissent* comes a biographical graphic novel about celebrated Supreme Court justice Ruth Bader Ginsburg. Supreme Court justice Ruth Bader Ginsburg is a modern feminist icon—a leader in the fight for equal treatment of girls and women in society and the workplace. She blazed trails to the peaks of the male-centric worlds of education and law, where women had rarely risen before. Ruth Bader Ginsburg has often said that true and lasting change in society and law is accomplished slowly, one step at a time. This is how she has evolved, too. Step by step, the shy little girl became a child who questioned unfairness, who became a student who persisted despite obstacles, who became an advocate who resisted injustice, who became a judge who revered the rule of law, who became—RBG.
