There's a lot of people in the world who wish they had a vaccine and they don't. Louisiana's vaccination rate, at around 39% of residents with at least one shot, is one of the lowest in the nation.

These Louisiana residents were reluctant to get COVID vaccines. This is what tipped the scales. Maybe I've missed all the pieces in @NRO In fact, the evidence is clear: National Review has been emphatic and relentless in extolling the virtues of these medical miracles. Moreover, we've advocated ...
