How real estate investors and speculators can take their business global The real estate boom has gone global, and those successful investors who want to keep up their profits are starting to look at emerging markets on other continents. Markets in South America, Eastern Europe, India, and Asia are currently experiencing the rapid growth that mature domestic markets experienced a few years ago. Based on the author's personal experience buying and selling dozens of overseas properties, this book provides all the relevant data investors need to evaluate properties and markets anywhere in the world. Colin Barrow (Hayle, Cornwall, UK) is a non-executive director of two venture capital funds and serves on the UK Government Task Force for Business.

For those motivated to start building a real estate portfolio - or those who want to move their money out of the stock market or low yield accounts, this book shows that outstanding achievement in the rental property business is achievable and a matter of doing a sequence of simple actions. Teaching through stories, veteran landlord Fleming exposes his sometimes embarrassing rookie mistakes, allowing the reader to laugh and learn in an entertaining and memorable manner. Among Buy Your First Rental Property Fast's valuable insights: Wealth is a spiritual journey You can do well through doing good How to select and evaluate low risk properties How real

estate is safer than stocks or savings How to get and manage the best tenants Buy Your First Rental Property Fast is a book about succeeding and thriving in a business that will not only grow your net worth, but that will grow you as a person, as a leader and as the CEO of your life. Fleming Schutrumpf is a veteran landlord who has more than 500 tenant years of landlording experience. Fleming built a portfolio of 35 properties while working full time as a management consultant. Fleming's philosophy is about "the long hold", collecting checks in the mail every month, indexed to inflation and providing true income in an era where real wages have been stagnant. Fleming blends contrarian strategies designed to outsmart the "experts" with sage business advice and inspiration.

A step-by-step, practical guide on how to purchase your first investment property, written in easy-to-understand, conversational language that explains complex concepts simply. Most people believe that property is a great investment, but that in order to get into property you need money, contacts and experience. When you only see the barriers to entry, you tend to give up before you even try. Property investment expert Laurens Boel believes that with the right knowledge anyone can make money in property, regardless of the resources available to them. Financial Freedom Through Property is filled with practical tips, insider secrets and case studies. It explains the risks and rewards of property investing, how to make the right offer on property deals, raise capital, contract the right team, negotiate win-win

scenarios, utilise innovative PropTech, find discounted properties and enjoy positive cash flows from day one. It also tells the story of how the author became one of the top property investors in South Africa – after being retrenched and going broke. *Financial Freedom Through Property* is an inspirational book for those who want to create a better financial future for themselves. You don't need to be a property mogul to make money on the property market – all you need is the willingness and the time to learn how to do it.

With over 1,000 successful real estate deals between them, the authors combine the science of negotiation with real world experience to dive into all aspects of the real estate negotiation process -- from the first interaction with a buyer or seller, to renegotiating the contract after unexpected issues arise, to last-minute concessions at closing. Aimed at real estate investors and agents at any level, this book not only covers all aspects of negotiating real estate deals, but also contains dozens of true-life stories that highlight how strong negotiation can result in more and better deals, as well as dialogue that will teach you what to say and how to say it, strengthening your ability to close profitable transactions.

Great financing is the holy grail of real estate--with the power to make or break the deal. Whether you are brokering your first deal or your fiftieth, finding the right financing for that specific situation can be the most important challenge you face. But there is good news! If you know where to look, you can find nearly unlimited supplies of funding for all your real estate deals. And *The Inside Guide to Funding Real*

Read Book Investment Property Toolkit For South Africans

Estate Investments shows you exactly where to look! This all-encompassing guide introduces readers to the range of options available--from traditional mortgages and asset-based loans to crowdfunding and private money--and provides an inside look into the loan process as a whole and how lenders think through different scenarios. Learn all there is to know about:

- What lenders are looking for
- How to close with confidence
- How to maintain sufficient liquidity
- How to protect your credit position for future deals
- What to do when deals go south
- And more!

Whether you're planning to fix and flip or buy and hold, with this thoroughly researched resource that has considered every financing scenario by your side, you can rest confidently that you are in prime position to not only avoid costly borrowing mistakes but also be set up for real estate success beyond what you thought possible.

Pre-foreclosure real estate is one of the hottest investment opportunities on the market. The Pre-Foreclosure Property Investor's Kit offers step-by-step instruction and no-nonsense advice on how to find great deals, estimate fair market value, negotiate with sellers, sell your property on your own, and win big in real estate. You'll learn how to get the best deals on foreclosure properties before they go to auction and utilize simple ready-made worksheets, checklists, forms, and agreements that make getting started easy. Even people of modest means can get into pre-foreclosure investing—all it takes is a little hard work, persistence, and the tools you'll find in this handy guide.

Read Book Investment Property Toolkit For South Africans

Two of Australia's biggest names in property, Geoff Doidge of the Reno Kings and Rachel Barnes of propertywomen.com have teamed up to bring investors the ultimate guide to maximising the potential returns on their investment property. The property market is booming and more investors than ever are using property to build wealth. But there is more to property investing than just purchasing the right property. Whether you've got a property manager or are a DIY landlord, this is the essential guide for all Australian and New Zealand investors to ensure they're effectively managing their investment and getting the maximum cashflow. Covering everything from finding tenants, setting the rent and securing a bond, to maintaining the property, *Managing Your Investment Property* covers all of the essential information to get the most out of your investment.

Examines the key policies that would increase competitiveness in the countries of the region through developing human capital, improving access to finance for SMEs and creating more and better investment opportunities.

This book is a step-by-step guide to mastering the strategies professional property investors use to accumulate great riches. It combines the mental side of buying property with the actual steps you need to take. It's explained in such a simple way that anyone can do it.
