Sometimes the big and small decisions in life seem overwhelming. How do you know what choices to make about your career, kids, relationships? Even when you make good decisions, how do you avoid temptation along the way? In What to Do When You Don't Know What to Do, Dr. David Jeremiah walks you through the book of James to glean God's wisdom on issues such as finances, faith, and decision making. Most significantly, this practical book shows you how to have the kind of faith that perseveres in persecution, resists temptation, and responds obediently to God's Word. What does it look like to consider God in all your plans, depend on God rather than wealth, and put prayer above your personal efforts? It looks, as James discovered, like living a life of great joy.

"A unique approach to understanding how you innately relate to handling money. A fascinating concept!" – Gary Chapman, author of The 5 Love Languages True financial well-being involves more than getting out of debt and accumulating wealth. It's about discovering how you're wired by God, and how that wiring influences the way you think about, feel toward, and handle money. Discovering your money type – whether you are an Abraham (hospitality), an Isaac (discipline), a Jacob (beauty), a Joseph (connection), a Moses (endurance), an Aaron (humility), or a David (leadership) – will bring greater self-awareness, reduce internal financial tension, help you resolve financial conflict with others, and help you grow financially from a faith-based perspective. As you walk with Pastor Brown through the Scriptures you'll find holistic financial pathways that lead you to a place of increased awareness and confidence related to money. In The Seven Money Types, Pastor Tommy Brown leads you on a journey of personal discovery as he reveals the seven money types found in Scripture, helps you identify the type that best fits you by means of a 35-question assessment, and coaches you on understanding, affirming, developing, and enjoying your unique approach to money.

"This book is for those of us who have experienced a gut check, or two, when it comes to some of the intersections between our lives and our faith. It's for those of us who no longer want to add unnecessary explanations to our beliefs just because we can't fully see what God is doing in our lives." –Bob Goff, New York Times bestselling author of Everybody, Always How do you deal with the hard questions about God, the church, and the Bible? Where can you find a safe place to openly and honestly wrestle with your faith without being criticized or judged? If you have ever struggled with doubt, you are not alone. Writing with humor and candor out of his own experiences, and incorporating Scripture, literature, and accounts of others who have doubted, Dominic Done argues that not only is questioning normal, it is often a path toward a rich and vibrant faith. Whether your struggle is with tragedy, the

difficult parts of the Bible, the intersection of science and faith, or even God's silence, you can move through doubt into a deeper, fuller faith—a faith that doesn't run from questions and the hard work of honest wrestling but instead embraces the mysteries of belief. "This book is one of those books that I will be buying to give to multiple friends." –Jefferson Bethke, New York Times bestselling author of *Jesus > Religion* "This book will help you surrender and trust the areas of your life that are meant to exude God-designed mystery, while also holding your hand as you search for substance and truth." –Audrey Roloff, coauthor of *A Love Letter Life*, founder of *Always More*, and cofounder of *Beating50Percent* "Doubt is such a pertinent issue in this cultural moment. Dominic walks us through the issues of doubt with which we wrestle but he does so in pastoral practicality. One feels as though you are seated in his living room sipping coffee. Dominic is the type of soul who understands the questions of the heart. He never shames. He's always transparent. He gives substantive hope." –Emerson Eggerichs, PhD, New York Times bestselling author of *Love & Respect*

A study Bible for students written in shorter sentences and simpler language, with sections explaining how it relates to modern life, descriptions of life in biblical times, and an introduction to each book.

When life is falling apart, God will carry you through. It has been said that everyone is either entering, in the midst of, or just exiting a trial. Popular author and pastor Max Lucado has discovered that at any given point, almost everyone is dealing with something. Whether the loss of a loved one, marriage issues, illness, job loss, or the stress of everyday life, people everywhere need the assurance that God will carry them through. Through decades of betrayal, abandonment, and false accusations, Joseph never gave up on God or His purpose. And Joseph continually trusted the sovereignty of God as Master-weaver of his life. *In God Will Carry You Through*, Max invites readers to do the same—to let God's message through Joseph guide His children through tough times today. Laced throughout Joseph's story are personal testimonies by everyday people who discovered for themselves that "God had carried them through" as well as quotes and Scripture passages for meditation. This book is rich in hope for finding peace and reassurance through whatever challenge you face.
