Writing a Literature Review. A literature review is a document or section of a document that collects key sources on a topic and discusses those sources in conversation with each other (also called synthesis). The lit review is an important genre in many disciplines, not just literature (i.e., the study of works of literature such as novels and plays).

Writing a Literature Review // Purdue Writing Lab

I think your instructor wants you to use APA citation style for the items (articles, books, etc.) that you are reviewing. In other words, you must cite the work in the format (APA) as part of your review. The OWL site will show examples for citing books, journal articles, etc. I hope this helps you out and answers your question.
