Pack your bags. We're going on a journey. A quest to uncover Scripture and its meaning across history. Filmed on location in Israel and throughout the Middle East, the Faith Lessons DVD series is an adventure in biblical learning. You will discover why Jesus turned the world upside down with his compelling call to follow him. Teacher and historian Ray Vander Laan brings together history, culture, and geography to illuminate the Gospels. Eight DVD lessons supported by an interactive Discovery Guide will let you, your family, or your small group walk with Jesus through the days of his ministry on this earth. The insights you gain will transform your reading of the Gospels and inspire a deeper faith commitment. Faith Lessons on the Life and Ministry of the Messiah focuses on the birth of Jesus, his life, and his short but powerful ministry—a ministry that has shaped empires and changed the course of history. Faith Lessons on the Death and Resurrection of the Messiah focuses on the last week of Jesus' life, his death and resurrection, and the Holy Spirit's visit on Pentecost.

Step-by-step instructions and symbol charts put these 139 creative new border designs within reach for beginning and advanced crocheters alike. If you're ready to chart your own crocheted course, Edie Eckman offers plenty of helpful design advice, including how to choose an appropriate border for each project and how to incorporate an element from the main stitch pattern into a new border design. She then explains, with the help of close-up photos, how the same pattern can have dramatically different results depending on the weight of the yarn. With each pattern diagrammed to approach in both rounds and rows, Every Which Way Crochet Borders is an inventive and invaluable resource.

Granny Square Flair is a collection of 50 variations on the classic crochet square. With innovative techniques and inventive combinations of basic stitches, Granny Square Flair is an essential addition to every crochet reference library. Glossary of all stitches and techniques used with full explanations. With Granny Square Flair at your side as your indispensable crochet companion, you and the special people in your life will be wrapped in crochet love that is distinctly yours.

Pineapple Lace is a Japan Publications publication.

Before the birth of our nation, brothers William and Thomas Towson forged a hamlet north of Baltimore on the trade route to York, Pennsylvania, at its junction with a Native American trail known as Joppa Road. In 1854, Towson town was established as the county seat by popular vote, and the cornerstone of the Baltimore County Courthouse was laid.

You'll be hooked on these ten super cute crochet animals! Super Cute Crochet contains photos and illustrations to guide you in making ten super cute projects: including a panda, penguin, koala, lamb, sloth, llama, unicorn, hedgehog, piglet, and bunny. If you squeal with delight over furry and fuzzy creatures, you'll be hooked on making these animals.

Introducing English Semantics is a comprehensive and accessible introduction to the study of meaning. Charles W. Kreidler presents the basic principles of this discipline. He explores how languages organize and express meanings through words, parts of words and sentences. Introducing English Semantics: * deals with relations of words to other words, and sentences to other sentences * illustrates the importance of 'tone of voice' and 'body language' in face-to-face exchanges, and the role of context in any communication * makes random comparisons of features in other languages * explores the knowledge speakers of a language must have in common to enable them to communicate * discusses the nature of language; the structure of discourse; the distinction between lexical and grammatical meaning * examines such relations as synonymy, antonymy, and hyponymy; ambiguity; implication; factivity; aspect; and modality Written in a clear, accessible style, Introducing English Semantics will be an essential text for any student following an introductory course in semantics. Assuming no prior knowledge of linguistics, all technical terms are clearly defined in an accompanying glossary and active participation is encouraged through numerous exercises.

In New York Times bestseller Steve Berry's latest Cotton Malone adventure, a secret dossier from a World War II-era Soviet spy comes to light containing information that, if proven true, would not only rewrite history — it could impact Germany's upcoming national elections and forever alter the political landscape of Europe. Two candidates are vying to become Chancellor of Germany. One is a patriot having served for the past sixteen years, the other a usurper, stoking the flames of nationalistic hate. Both harbor secrets, but only one knows the truth about the other. They are on a collision course, all turning on the events of one fateful day — April 30, 1945 — and what happened deep beneath Berlin in the Führerbunker. Did Adolph Hitler and Eva Braun die there? Did Martin Bormann, Hitler's close confidant, manage to escape? And, even more important, where did billions in Nazi wealth disappear to in the waning days of World War II? The answers to these questions will determine who becomes the next Chancellor of Germany. From the mysterious Chilean lake district, to the dangerous mesas of South Africa, and finally into the secret vaults of Switzerland, former-Justice Department agent Cotton Malone discovers the truth about the fates of Hitler, Braun, and Bormann. Revelations that could not only transform Europe, but finally expose a mystery known as the Kaiser's web.

Before it was a colonial village, Reister's Town was home to tribes of the Susquehanna who lived and hunted plentiful wildlife amidst the dense primeval woods. Travelers journeyed on narrow Native American trails from remote areas through what is now Reisterstown while on their way to the nearby bustling harbor in Baltimore Town. Dirt roads afforded a tiresome trip, and a man's throat would easily become parched from the dust. John Reister, an enterprising German immigrant, was one of these early travelers. Reister recognized that the area, only a day's travel from Baltimore, would make an ideal site for an inn where weary travelers could rest and recoup. In 1758, Reister founded the town on 20 acres that the Calverts had granted him. Soon after, in 1768, Daniel Bower, a Revolutionary War colonel, settled on nearby land and built a tavern reputed to have accommodated George Washington. By 1800, Reister's Town was a busy community boasting shops, a tannery, blacksmith, inn, and taverns, which were all vital to the growth of the town and nearby communities.
