Poetry. Music. Translated by Syed Ahmed Shah. Edited by Syeda
Jebeen Sabira Shah. Bhupen Hazarika (1926-2011), also known as
the Bard of the Brahmaputra--after the river that runs through
Assam--was a legendary singer, lyricist, music composer, scholar,
artist and above all, a humanist who dared to dream of a classless
society. Although fluent in Hindi and English, he wrote over 800
songs in Assamese, his mother tongue. His poetic soul ranged far
and wide, from our dependence on nature, history and politics, to
visionary rapture. His admirers were well aware that he was
including them in his vision, excluding none, for a better world. He
remains a source of inspiration for many who have heard his songs.

Even now, a huge portion of his songs remain unknown to non-Assamese speaking people. It was only towards the end of his life that English translations of his songs started appearing in print.

With 600 signed, alphabetically organized articles covering the entirety of folklore in South Asia, this new resource includes countries and regions, ethnic groups, religious concepts and practices, artistic genres, holidays and traditions, and many other concepts. A preface introduces the material, while a comprehensive index, cross-references, and black and white illustrations round out the work. The focus on south Asia includes Afghanistan, Bangladesh, India, Pakistan, and Sri Lanka, with short survey articles on Tibet, Bhutan, Sikkim, and various diaspora communities. This unique reference will be invaluable for collections serving students, scholars, and the general public.

It is the Brahmaputra that greets you when you first enter Assam. Its meandering presence has shaped its terrain and left its silt on the stories that are passed on from one generation to another. It is this majestic expanse of water and its range of moods, from the furious to the friendly, agitated, meditatively still or just as a silent spectator, that has been the one constant in a region that has been in a state of flux throughout its history. The Magic of The Brahmaputra will ferry you to the Northeast, its culture and quirks, food and festivals, the rhythm and restiveness, the vibes and the verdancy, its past and present and everything else that envelops it with a uniqueness seen and experienced through the eyes of someone who arrived there as a stranger and took leave as a lifelong lover.
