Welcome to Exoticaa Leave your inhibitions at the door Lilli DeForrest is hoping for a week of pampering and relaxation, but when the beautiful Rajan steps into her suite, the attraction is immediate. Rajan is her ideal lover: tender, commanding and intensely erotic. But, as Lilli is about to discover, his masterful touch is just the beginninga An utterly delicious erotic romance perfect for fans of E.L. James and Sylvia Day

Resigning from The Club, a members-only facility where a man's every fantasy can come true, when he marries innocent Keiley Hardin, John "Mac" McCoy is tormented by his fantasies of sharing his wife with another man, fantasies that are transformed into reality with the

arrival of his best friend, Jethro Riggs, who helps him introduce Keiley to a pleasure she never expected. Reprint.

Paris Sweeny is a moderately successful artist whose popularity is surging. Sweeney loves her work and is content with life, until she begins to notice odd changes. The changes are unnoticeable at first, but she can't ignore her dreams - lush, vivid and drenched in vibrant hues - which are influencing her artwork. And she can't deny her growing restlessness... Suddenly, impulsively, Sweeney finds herself unable to resist a night of intense passion with millionaire Richard Worth, estranged husband of her gallery-owner. But the true dangers of her all-consuming urges are about to be revealed where Sweeney least expects it: in her paintings. After a creative frenzy she discovers she has painted a graphic murder scene. And then a shattering, real-life murder mirrors her creation and puts her at the top of the list of suspects.

In this international bestselling romance by Megan Maxwell, love is the ultimate forbidden pleasure. Getting stuck in an elevator with a flirtatious and charismatic stranger leaves Jude Flores flustered enough--even before she realizes that he's Eric Zimmerman, the powerful billionaire CEO...and her powerfully sexy new boss. Having arrived in Spain to take over his company's office, Eric is clearly interested in more than business. He notices Jude for her brilliance and talent, but it's her humility that excites him the most. Seduced by Eric's attention, Jude accepts his bold invitation into his private life--a series of secret sensual games designed to open Jude up to a world of pleasure she'd only fantasized about. With each clandestine meeting comes Eric's desire to push further. And before long, Jude is falling--helplessly, willingly, and without inhibition. But as their relationship deepens, Jude begins to wonder what other secrets Eric is hiding behind that sexy smile--and how far she's willing to go to find out.

A delicious enemies-to-lovers rock romance with a steamy twist.

A tale of twisted love from Yoko Ogawa--author of *The Diving Pool* and *The Housekeeper and the Professor*. In a crumbling seaside hotel on the coast of Japan, quiet seventeen-year-old Mari works the front desk as her mother tends to the off-season customers. When one night they are forced to expel a middle-aged man and a prostitute from their room, Mari finds herself drawn to the man's voice, in what will become the first gesture of a single long seduction. In spite of her provincial surroundings, and her cool but controlling mother, Mari is a sophisticated observer of human desire, and she sees in this man something she has long been looking for. The man is a proud if threadbare translator living on an island off the coast. A widower, there are whispers around town that he may have murdered his wife.

Mari begins to visit him on his island, and he soon initiates her into a dark realm of both pain and pleasure, a place in which she finds herself more at ease even than the translator. As Mari's mother begins to close in on the affair, Mari's sense of what is suitable and what is desirable are recklessly engaged. Hotel Iris is a stirring novel about the sometimes violent ways in which we express intimacy and about the untranslatable essence of love.

"Right now, you're probably asking yourself two things: Who am I? and What the hell are you doing here? Let's start with the most obvious question, shall we? You're here, ladies, because you can't f\*ck." Oh, stop it. Don't cringe. No one under the age of eighty clutches her pearls. You might as well get used to it, because for the next six weeks, you're going to hear that word a lot. And you're going to say it a lot. Go ahead, try it out on your tongue. F\*ck. F\*\*\*ck. Okay, good. Now, where were we? If you enrolled yourself in this program, then you are wholly aware that you're a lousy lay. Good for you. Admitting it is half the battle. For those of you who have been sent here by your husband or significant other, dry your tears and get over it. You've been given a gift, ladies. The gift of mind-blowing, wall-climbing, multiple-orgasm-inducing sex. You have the opportunity to f\*ck like a porn star. And I guarantee that you will when I'm done with you. And who am I? Well, for the next six weeks, I will be your lover, your teacher, your best friend, and your worst enemy. Your every-f\*cking-thing. I'm the one who is going to save your relationship and your sex life. I am Justice Drake. And I turn housewives into whores. Now . . . who's first?

Book II in the Darkest Powers trilogy takes us deeper into a world where the supernatural intrudes on the everyday with riveting effect. If you had met me a few weeks ago, you probably would have described me as an average teenage girl – someone normal. Now my life has changed forever and I'm as far away from normal as it gets. A living science experiment – not only can I see ghosts, but I was genetically altered by a group of people who call themselves The Edison Group. What does that mean? For starters, I'm a teenage necromancer whose powers are out of control: I raise the dead without even trying. Trust me, that is not a power you want to have. Ever. I'm running for my life with three of my supernatural friends – a charming sorcerer, a cynical werewolf, and a disgruntled witch – and we have to find someone who can help us gain our freedom back before The Edison Group finds us first. Or die trying.
