Synopsis. This is one of a series of unique maps drawn and published by Major and Mrs Holt the well-known experts on touring the battlefields of the First and Second World Wars. The maps are accurately drawn and double sided and have a consistent map reference and colour coding system across the series that enables precise location of memorials, cemeteries, museums, battle lines, places of particular interest.

Major and Mrs. Holt's Battle Map of the Somme: No. 1 ...

The Fighting - this is a brief summary of the account in our book Western Front - South. There were battles around the River Aisne virtually throughout the war. On 13 September 1914 the BEF, moving north from the River Marne, crossed the River Aisne in pursuit of the Germans and for two weeks both sides fought tenaciously on and around the Chemin des Dames ridge.

Battles of the River Aisne - Major and Mrs Holt's ...

About the Author. Major and Mrs Holt are acknowledged as the founders of the modern battlefield tour and are respected authors of over 20 books on military subjects. The series of battle maps shown here were designed to accompany their well known battlefield guide books and the maps were designed and drawn by them.

An accompaniment to the best-selling guide to the area, now sold separately.

MAJOR & MRS HOLT'S Concise, Illustrated BATTLEFIELD GUIDE TO THE WESTERN FRONT- SOUTH contains many fascinating but little-visited areas by travelers and is hoped that they will be tempted further afield than the 'showcase' and sophisticatedly presented battlefields like the Somme to discover some marvelous sites. Many of them have lain virtually 'dormant' for many years (such as areas of the Meuse-Argonne and Champagne) but have recently been renovated and opened up by dedicated local enthusiasts. There are many 'gems' in store in this book. Each battlefield starts with some pertinent quotations by participants, has a succinct Summary of the Battle, Opening Moves and What Happened sections then a Battlefield Tour which follows the same tried and tested formula as the rest of the series of a timed and measured itinerary with historic and anecdotal information at each stop. A detailed Sketch Map showing battle lines and each stop on the route accompanies every battle using the same color code (of yellow for memorials, purple for cemeteries, blue for museums) as the larger Holts' Battle Maps. Together the two books MAJOR & MRS HOLT'S Concise, Illustrated BATTLEFIELD GUIDE TO THE WESTERN FRONT- SOUTH and NORTH will form the most comprehensive and detailed English-language guides to the WW1 Western Front ever produced.

Already the best-selling English-language guide to the area, universally known as THE BIBLE, this is the 75th anniversary, completely revised, up-to-date, much expanded edition of the DEFINITIVE GUIDE TO THE D-DAY NORMANDY LANDING BEACHES. The third in the Holts' important series of Battlefield Guides (following the Somme and the Ypres Salient) it employs the same, highly acclaimed formula. Once again the cold facts are interlaced with anecdotes of bravery, humour, sadness and humanity. This new edition now contains: All the landing Beaches: JUNO, SWORD, GOLD, OMAHA, UTAH All the Airborne Operations: British and American Two Approach Routes; Six timed and measured Itineraries 21 in-text Itinerary maps, Battle maps & Diagrams Approx 400 recommended sites within the D-Day planned area of advance, all with photos, each with Latitude & Longitude references (New for this Edition) Over 400 coloured pictures, 352 pages Memorials / Museums / Batteries / Bunkers / Landing fields Allied and German War Cemeteries Historical background to the landings The Plans and what actually happened Information about Allied and German War Graves Associations Veterans and other commemorative associations Normandy tourist information: Where to stay / where to eat Cameos about personalities - VCs / MOHs / Poets / Photographers etc Packaged with the Battle Map of the Normandy Landing Beaches showing the sea Assault formations for UTAH, OMAHA, GOLD, JUNO and SWORD Beaches and the air Assault Formations round Ste M Eglise and Pegasus Bridge; the D-Day Objectives and the Ground Gained on D-Day.

"This guidebook conducts the reader to those memorials and sites of both the 1916 and 1918 battles, and the actions of 1917, that have been most requested over the years by our travellers. The brief commentaries at each stop are designed to summarise events and to orientate the reader so that he or she knows broadly who was where, and what happened. A continuous description of the various parts of the Somme battles are given in the historical summaries"--Page 8.

Following in their best-selling series of Battlefield Guides this is a companion volume to the Holts Western Front South Guide. Between the two, they cover the main WW1 Western Front battlefields. This book covers 15 of the most significant battles of the northern area from Nieuwport to just north of The Somme. Whether travelling on the ground or in the mind, the reader is carefully guided through the battlefields with a mixture of succinct military history, cameo memories and stories of VCs and other personalities, interspersed with references to the literature and poetry of the war. This guidebook is based on Tonie and Valmai Holt's 30 years experience of researching, guiding tours and writing about the area, with their unique blend of male and female points of view. It is written to the high standards that have come to be expected of these highly respected authors who are credited with pioneering the modern battlefield tour and whose guide books are referred to as 'The Bibles'. This new edition contains: Brief Historical Background and Summary of each battle, Opening Moves and What Happened, with appropriate quotations Sketch Map for each battle showing battle lines, routes etc and all points of interest described on each timed itinerary Large Sketch Map putting the battlefields (north and south) into perspective Memorials, Museums, Sites of Interest (bunkers, craters etc) War Grave Cemeteries Allied and German GPS Location for every recommended stop War Graves and Commemorative Associations Cameos about individual personalities Useful Tourist Information Where to stay and eat

Major and Mrs. Holt's Battlefield Guide to the Somme is, without doubt, one of the best-selling guide books to the battlefields of the Somme. This latest updated edition, includes four recommended, timed itineraries representing one day's traveling. Every stop on route has an accompanying description and often a tale of heroic or tragic action. Memorials, private and official, sites of memorable conflict, the resting places of personalities of note are all drawn together with sympathetic and understanding commentary that gives the reader a sensitivity towards the events of 1916.

Republished to coincide with the new ITV film, My Boy Jack? starring Daniel Radcliffe, this is the full account of the tragic life of John 'Jack' Kipling. On 27th September 1915 John Kipling, the only son of Britain's best loved poet, disappeared during the Battle of Loos. The body lay undiscovered for 77 years. Then, in a most unusual move, the Commonwealth War Graves Commission (CWGC) re-marked the grave of an unknown Lieutenant of the Irish Guards, as that of John Kipling. There is considerable evidence that John's grave has been wrongly identified and for the first time in this book, the authors name the soldier they believe is buried in 'John's grave'. This is the first biography of John's short life, analysing the devastating effect it had on his famous father's work.

Three detailed driving itineraries, four walks and a history of the Ypres Salient are provided in this guide, where so many perished during the Great War of 1914 to 1918. It introduces readers to the places that still exist from that time, as well as including map references and a full index. This book has been designed to be used in conjunction with Major and Mrs Holt's Battle Map of the Ypres Salient.
