Designed to encourage critical thinking about history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces readers to both primary sources and analytical essays on important topics in U.S. history. This collection serves as a primary anthology for introductory U.S. history, covering the subject's entire chronological span. Comprehensive topical coverage includes politics, economics, labor, gender, culture, and social trends. The Third Edition features greater focus on visual and cultural sources throughout. Several chapters now include images, songs and poems to give readers a better feel for the time period and events under discussion. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Designed to encourage critical thinking about history, the Major Problems in American History series introduces students to both primary sources and analytical essays on important topics in U.S. history. This collection serves as the primary anthology for the introductory survey course, covering the subject's entire chronological span. Comprehensive topical coverage includes politics, economics, labor, gender, culture, and social trends. The Second Edition features integrated coverage of women in Volume I, as well as a streamlined chronology in Volume II. Key pedagogical elements of the Major Problems format have been retained: 14 to 15 chapters per volume, chapter introductions, headnotes, and suggested readings.

This text introduces students to both primary sources and analytical essays on important topics in U.S. history. The book asks students to evaluate primary sources, test the interpretations and draw their own conclusions.

For each chapter, this book contains a wide selection of primary sources as well as two essays by historians.

Designed to encourage critical thinking about history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces students to both primary sources and analytical essays on important topics in U.S. history. The fourth edition has been revised to reflect two new historiographical trends: the emergence of the history of religion as an exceptionally lively field and the internationalization of American history. Several chapters include images, songs, and poems to give students a better "feel" for the time period and events under discussion. Key pedagogical elements of the Major Problems format have been retained: 15 to 16 chapters per volume, chapter introductions, headnotes, and suggested readings. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Download Free Major Problems In American History Since 1945

Krauthamer and Williams' text introduces students to both primary sources and analytical essays and is designed to encourage critical thinking about the history and culture of African Americans. Updated to cover a wider geographic scope that includes the western United States and other parts of the Diaspora, as well as the newest scholarship in the field, the second edition presents a carefully selected group of readings organized to allow students to evaluate primary sources, test the interpretations of distinguished historians, and draw their own conclusions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Designed to encourage critical thinking about history, the Major Problems series introduces students to both primary sources and analytical essays on important topics in U.S. history. Major Problems in American Women's History is the leading reader for courses on the history of American women, covering the subject's entire chronological span. While attentive to the roles of women and the details of women's lives, the authors are especially concerned with issues of historical interpretation and historiography. The Fourth Edition features greater coverage of the experiences of women in the Midwest and the West, immigrant women, and more voices of women of color. Key pedagogical elements of the Major Problems format have been retained: 14 to 15 chapters per volume, chapter introductions, headnotes, and suggested readings. New! In Chapter 1, an exclusive essay by Kate Haulman examines the evolution of the field of women's history and the state of women's history today. New! Chapter 2 now focuses on Native American women, while a new Chapter 3 covers witches and their accusers in New England and the Salem witch trials. New! Chapter 6 draws on recent scholarship on the roles of ordinary and elite women in the numerous reform movements of the Early Republic. Revised! Chapter 7 rethinks and refocuses the text's coverage of women's roles in slavery and the Civil War, and more directly addresses the lives of African American women during and after slavery. New! Post-1960 coverage (in Chapters 15–16) has been thoroughly revised to highlight the women's movement, women's health, recent immigration, and economic changes affecting women.

Designed to encourage critical thinking about history, the Major Problems in American History series introduces students to both primary sources and analytical essays on important topics in US history. This collection, designed for courses on Texas history or the history of southwest, covers the subject's entire chronological span. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The book—which is suitable for courses on the history of American sexuality, gender studies, or gay and lesbian studies—presents a carefully selected group of readings organized to allow students to evaluate primary sources, test the interpretations of distinguished historians, and draw their own conclusions.
