A book on English

A dynamic and engaging course with relevant, authentic texts accompanied by creative activities. Explore the five new themes - Identities, Experiences, Human Ingenuity, Social Organisation and Sharing the Planet - with this clearly-structured coursebook. With over 50 per cent new content, lots of text handling exercises and more than 15 audio handling exercises for listening practice, this book helps students tackle the updated English B for the IB Diploma syllabus. Sample exam material, new content for SL and HL oral assessments and references to online videos provide opportunities for students to develop their skills. Answers to coursebook questions are in the teacher's resource and audio for the listening practice is online.

The New York Times bestselling guide to thinking like literature's greatest detective. "Steven Pinker meets Sir Arthur Conan Doyle" (Boston Globe), by the author of The Confidence Game. No fictional character is more renowned for his powers of thought and observation than Sherlock Holmes. But is his extraordinary intellect merely a gift of fiction, or can we learn to cultivate these abilities ourselves, to improve our lives at work and at home? We can, says psychologist and journalist Maria Konnikova, and in Mastermind she shows us how. Beginning with the " brain attic " —Holmes ' s metaphor for how we store information and organize knowledge—Konnikova unpacks the mental strategies that lead to clearer thinking and deeper insights. Drawing on twenty-first-century neuroscience and psychology, Mastermind explores Holmes ' s unique methods of ever-present mindfulness, astute observation, and logical deduction. In doing so, it shows how each of us, with some self-awareness and a little practice, can employ these same methods to sharpen our perceptions, solve difficult problems, and enhance our creative powers. For Holmes aficionados and casual readers alike, Konnikova reveals how the world ' s most keen-eyed detective can serve as an unparalleled guide to upgrading the mind.

The bestselling author of Shadow War and Losing Bin Laden exposes the sinister Al Qaeda mastermind behind 9/11. Khalid Shaikh Mohammed, the architect of the 9/11 attacks, has carried out many of the biggest terrorist plots of the past twenty years, including the 1993 World Trade Center bombing, the Millennium Plots, and the beheading of Daniel Pearl. As the world awaits his trial, bestselling author and investigative journalist Richard Minitzer brings to life his shocking true story. Based on more than one hundred interviews with government officials, generals, diplomats and spies from the United States, Europe, the Arab world, and Afghanistan—and on the ground reporting from Morocco, Egypt, Israel, Afghanistan, Pakistan, the Philippines, and Guantánamo Bay, Minitzer reveals never-before-reported Al Qaeda plots and surprising new details about the 9/11 attacks. He also shows how Khalid Shaikh Mohammed was radicalized in America and takes us inside terrorist safe houses, CIA war rooms, and the cages of Guantánamo Bay. While thoroughly reported and strongly sourced, this is a pounding narrative that reads like a thriller.

Set in Guatemala and based on a true story, " this intriguing literary thriller will appeal to lovers of international crime fiction " (Booklist). Guillermo Rosensweig is a member of the Guatemalan elite, runs a successful law practice, has a wife and kids—and a string of gorgeous lovers. Then one day he crosses paths with Maryam, a Lebanese beauty with whom he falls desperately in love . . . to the point that when he loses her, he sees no other option than to orchestrate his own death. The Mastermind is based on the bizarre real-life story of Rodrigo Rosenberg, a Guatemalan attorney who, in 2009, planned his own assassination after leaving behind a video accusing Guatemalan president Álvaro Colom of his murder. This is a fascinating depiction of modern-day Guatemala and the corrupt, criminal, and threatening reality that permeates its society. " Engaging . . . Raw and unforgettable. " —Publishers Weekly " This is a compelling story that can easily be read in a single sitting. And, as in any good mystery, when things go wrong, the novel becomes that much more interesting. Even for readers with no interest in Guatemala per se, this is one worth reading for the sheer joy of the writing itself. " —Reviewing the Evidence " A riveting account of one man ' s high-stakes journey to self-reckoning. " —Cristina Garcia, author of Dreaming in Cuban

No matter how hard Rachid tries to recreate himself, to become educated and worldly—to " learn English " —it is impossible for this hip Beirut with his cell phone and high-speed internet to sever the connection to his past in the Lebanese village of Zgharta, known for its " tough guys " and old-fashioned clan mentality. When the news of his father ' s murder, a case of blood revenge, reaches him by chance through a newspaper report, it drags him inescapably back into the world of his past. Suddenly he is plunged once again into the endless questions that plagued his childhood: questions about his parents ' marriage and his own legitimacy, questions he would rather have forgotten and which threaten not only his new lifestyle, but now, according to the protocol of vendetta culture, his very life. The accomplished al-Daif hooks his readers from page one of this, his ninth, novel—partly with pieces and fragments of suspense-filled plot and partly with his typically idiosyncratic narrator, whose bizarre stories, comical asides and uncannily perceptive comments on human nature lead us through this tantalizing, funny, and sober book about the hold the past has on Lebanon, and on us all.

Mastermind is the ultimate test of knowledge, memory and nerve. Over four decades hundreds have tested their mettle in the famous black chair, and dared to put their intellect under the glare of the Mastermind spotlight. Now, can you rise to the challenge? The Mastermind Quiz Book poses over 3,500 questions, from fiendishly difficult general knowledge teasers to in-depth tests of specialist subjects. With topics ranging from Classical Mythology to Medical Science, by way of Famous Russians and The Works of Johnny Cash, only the finest minds will triumph. Whether you're playing in groups or simply testing your own brainpower, this collection of questions will challenge the very core of your mental strength - but when the clock runs down and the lights come up, will you emerge as the Mastermind?

Objective Proficiency Second edition provides official preparation for the revised 2013 Cambridge English: Proficiency exam, also known as Certificate of Proficiency in English (CPE). A variety of challenging, lively topics provide thorough training in exam skills and high-level language development. Each unit contains three double-page lessons ensuring flexibility, even pacing and progress. This motivating material is also suitable for high-level students keen to improve their general English. The Workbook with answers provides opportunities for further practice of new language and exam skills either at home or in the classroom. The CD contains the audio material for the Workbook listening tasks.
