The second book in the Geek Girl series follows Harriet Manners, accidental model, to Japan for a modeling adventure over the summer. While the book seems to pick up where we left off from the first book, it's actually months later. This book has new obstacles for Harriet, including a growing family, boy trouble, and rocky friendships.

The Geek Girl series has always been those books that I turn to when I'm feeling down or just lazy in general to work my brain with dark conspiracies and run down worlds. Model Misfit was exactly what I needed--typically fun and drama-filled. What I love about Holly Smale's debut series is how she always starts her books with something shocking

Geek Girl Model Misfit by Holly Smale (book 2) The sequel to the fabulous first novel blew me away, completing it in one day as I found it impossible to put down. Harriet Manners caught up in the world of Modelling and boys she gets whirled on more and more modelling jobs her usual clumsiness shinning through. Fabulous read. really loved it. 5/5\*
