Tributes have been paid to two cyclists killed in a crash with a car on the A40. Andy Coles, 56, and Damien Natale, 52, died on Wycombe Road, High Wycombe, near the junction of Old Dashwood Hill,...

Knowledge is power. Bring that power to your conversations. Jess Natale's now-famous Instagram platform grew out of the strong need to combat misinformation; over the course of the past year, @soyouwanttotalkabout has become synonymous with activism, accountability, and reliability, raising the awareness of millions on a daily basis for the causes and voices that most need to be heard. Presented in the signature style of the Instagram account, So, Let's Talk About It addresses the broader questions and issues that define our country today, including: climate change electoral politics the criminal legal system the death penalty and more Dynamically presented, these powerful and succinct lessons can help fuel personal activism, prepare the reader for a difficult conversation with family and friends, or serve as a jumping-off point for learning, or in many cases, necessary unlearning.

As the last Don of the Philadelphia mob, Ralph Natale, the first-ever mob boss to turn state's evidence, provides an insider's perspective on the mafia. Natale's reign atop the Philadelphia and New Jersey underworlds brought the region's mafia back to prominence in the 1990s. Smart, savvy, and articulate, Natale came up in the mob and saw first-hand as it hatched its plan to control Atlantic City's casino unions. Later on, after spending 16 years in prison, he reclaimed the family as his own after a bloody mob war that left bodies scattered across South Philly. He forged connections around the country, invigorated the family with more allies than it had in two decades, and achieved a status within the mob never seen before or since until he was betrayed by his men and decided to testify against them in a stunning turn of events. Using dozens of hours of interviews with Natale along with research and interviews with FBI agents, this book delivers revelatory insights into seminal events in American mob history, including:
- The truth about Jimmy Hoffa's disappearance
- The murder of Jewish mob icon Bugsy Siegel
- The identity of the man who created modern-day Las Vegas
With the full cooperation of Natale, New York Daily News reporter Larry McShane and producer Dan Pearson uncover the deadly reign of the last great mob boss of Philadelphia, a tale that covers a half-century of mob lore and gore.

Lyrics to familiar Christmas songs in English and Italian with colorful illustrations and information about Italian Christmas traditions--also in English and Italian.

THE FOLLOWING INTRODUCTORY JOURNAL ENTRY OF THE ACTUAL YET INCONCEIVABLE EXPERIENCE OF THE AUTHOR, SUMS UP THE BOOK WITHOUT DISCLOSING ANY SURPRISING DETAILS: (This is a true story)
October 9, 2007
It's just not ME anymore contained in my body, which currently seems to be the only familiar remnant of myself. Of this there is no doubt. My eyes first met the image of Che Guevara one year ago in Argentina. That first glance awakened a destiny between us, and he charged into my soul with the fierceness of a chariot in battle. He commanded my attention, changing the course of my life in an instant. Recognizing the presence after the trip, in my home, intensified his energy. The times we co-habitated in my body together, lasted only moments but will linger the rest of my life. A door opened wider than I thought possible expanding my mind, pushing me beyond all limits. At random times our union would strike me into a state of ecstasy beyond literal description. Nothing looks the same. I crossed through the doorway into a different room, never to return to my original frame of thinking. This unexpected companion wreaked havoc in my life, but the purpose of our union eventually revealed itself beyond question. So strong came the direction to publish these notes and channeled messages, I COULDNT ignore it.

Il tempo di Natale è tempo di speranze, piani e desideri. Per 90 giorni passerai dalla strada ai sogni. Ogni giorno fai 1 passo verso il tuo obiettivo. Realizza i tuoi desideri. Crea la tua magica storia di Natale!

Ashley Coratini is backing her family, and the odds, by embracing the chance to pursue a dream. During a three-week trip to Florence, Italy, she's determined to immerse herself in the world of art and to explore the gifts God has given her.Widower Luca DeRosa owns and operates a premiere art gallery at the heart of Florence. He's just over a year away from turning forty, but doesn't mind the milestone. He enjoys a life spent raising his five-year-old son and scouting artistic talent. When he comes upon Ashley, he's captivated by her artistic skills and fluid grace, and he sees to it that Ashley's dreams take off at high velocity.But as love blooms, questions mount. Will Ashley embrace her gifts and a life in Italy that's worlds different than the one waiting at home in America? Can Luca trust his heart and instincts enough to embrace the love of a vibrant young woman whose spirit speaks to him so deeply? What comes next when the dreams they dare to dream really might come true...?
