In Night of the Dragons,  
Miranda Martin takes a  
little side-trip in the saga  
of the shipwrecked human  
surviving with the help of  
the native dragon-men on  
their hostile desert planet.  
This is the story of Piper,  
terminally ill and placed in  
stasis prior to the ship's  
crash, who wakes from her  
wrecked pod alone, separated  
from the main shipwreck and  
the other survivors.

The main trouble I had with  
night of the dragon is one  
that I've had before with  
Knaak's work: it is  
incredibly difficult to  
appreciate the story if you  
aren't already familiar with  
the lore. To be fair, Knaak  
seems to know this and  
spends time referencing past

Maester Aemon sat in a chair next to the hearth of his chambers, visualizing the flames and the heat. He himself had never possessed the invulnerability to fire, yet he found an alluring comfort to it that only those with the blood of the Dragon could feel. Behind him, he heard the voice of one of his brothers of the Night's Watch.
