This is a maintenance and repair manual for the Nissan Murano.

Arguably one of the most important cars of this century so far, the Nissan LEAF is one of the most talked about cars in the world. It is the world's best selling electric car, a former World Car of the Year winner and one of the most environmentally friendly cars you can buy today. In this all-new guide, best selling technology author and LEAF owner, Michael Boxwell, explains what you need to know about owning and using a LEAF. He reveals why driving electric is not just good for the environment, but provides a terrific driving experience that is good for your wallet as well. Michael Boxwell has been involved in the electric vehicle industry since 2003 and has owned and driven electric cars since 2006. He is currently on his second Nissan LEAF.

The Lily of Life: A Fairy Tale by The Crown Princess of Roumania. First published by Hodder & Stoughton, London; New York, 1913. "Graceful fancy, elevated sentiment, and simple but dignified expression ensure a high place among the fairy tales of the publishing year for the Queen of Roumania's charming work, The Lily of Life... The merit of the telling is unusual, and it has the further advantage of being presented in an exceedingly handsome and artistic form. The coloured illustrations of Miss Helen Stratton show graceful drawing and fine gradations of tone. They are not merely a pictorial summary of the story, but genuine works of art, and a distinctive feature of the volume."--Scotsman
