Of all of Odin's sons it seems most likely that Shadow is Baldr, the "shining God" and the good son. Baldr is the son who's personality most matches the personality of Shadow. We know he is not Loki the mischievous, because Loki also appears in the novel as Wednesday's co-conspirator in the staged war between the old Gods and the new Gods.

Being Odin's son, it could indicate that his real name could possibly be "Thor". Other known sons of Odin in are Tyr and Baldr. Though many believe Loki is a son of Odin this is only true in the comic representation of the Gods. In the actual religious belief (called Heathenism) Loki is a sworn blood brother of Odin. It is unknown who his mother is.
