Covers written and spoken British and American English and reviews grammar, usage, punctuation, and phonetics

Including examples of real usage, this handy volume provides clear information about grammar and punctuation that we need on a day-to-day basis in over 300 entries. Revised and updated, The Oxford A-Z of Grammar and Punctuation offers accessible and coherent explanations across a broad range of topics, and is the first port of call for any reader seeking clear, authoritative help with grammar and punctuation. Both easy to use and comprehensive, it is an essential tool for writing at home, in the office, at school, and at college.

This new 2007 edition of the Oxford Junior Dictionary features over 10,000 entries, words and phrases in alphabetical order, in a clear and accessible design. Each entry contains simple, easy-to-read numbered meanings, and word classes, and example sentences. Tinted panels throughout the text focus on overused words, words belonging to the same family, and key language topics (such as connectives or apostrophes). Another unique feature is the example sentences by well-known children's authors, such as Dick King-Smith, Jacqueline Wilson, and Roald Dahl. These show the words actually in use to reinforce meaning but they also hook children in to using language effectively. Unique to Oxford, they take children beyond looking up a word for spelling or meaning - and into thinking about reading and writing independently. The full alphabet appears on every page with a dark blue tab on the letter of the page - plus the dictionary quartiles in light blue. Together, these are invaluable navigation tools for children practising their alphabet skills. Guidewords also appear on every page. Extra material at the back is accurately levelled for the curriculum at this age. It includes information for spelling success, punctuation, simple grammar, key overused words (with alternatives) as well as word origins, prefixes and suffixes.

Develop your learners' skills in creative writing and writing for a purpose. Introduce your learners to creative writing and writing for a purpose. They'll write a recount of a race and instructions to make a cake, helping build their extended writing skills as they progress through the units. Each unit focuses on a different text type such as dialogue, recounts, reports or instructions. Model texts in each chapter show learners good examples of each writing type and specific activities are included to help them practise their grammar. Planning tools and an extended writing task develop learners' essential skills including editing, checking, planning and creative thinking.

2,000 words at each level show the meaning and how words work in context 'I can...' approach to each unit so students can see learning goals Fully integrated Super Skills CD-ROM with interactive listening and speaking activities and pronunciation model for every vocabulary item 'Cover and check' card makes it easy for students to test themselves Regular review units so students can check progress

A dictionary that features over 6000 entries in alphabetical order, with photographs and illustrations. It contains example sentences by children's authors, such as Dick King-Smith, Jacqueline Wilson and Roald Dahl. It includes information for spelling success, punctuation, simple grammar, prefixes and suffixes, word origins, and more.
