**Paleolithic Era in Iran – Wikipedi**

The early history of Iran may be divided into three phases: (1) the prehistoric period, beginning with the earliest evidence of humans on the Iranian plateau (c. 100,000 bc) and ending roughly at the start of the 1st millennium bc, (2) the protohistoric period, covering approximately the first half of the 1st millennium bc, and (3) the period of the Achaemenian dynasty (6th to 4th century bc), when Iran entered the full light of written history.

**Ancient Iran | Britannica**

P rehistory of Iran (Ancient Time – 4000 BC). The prehistory of the Iranian plateau, and the wider region now known as Greater Iran, as part of the prehistory of the Near East is conventionally divided into the Paleolithic, Epipaleolithic, Neolithic, Chalcolithic, Bronze Age and Iron Age periods, spanning the time from the first settlement by archaic humans about a million years ago until ...

**Prehistory of Iran – Vistula**

Abstract The excavation of Ghar-e Boof, a cave in the Zagros Mountains, places the site not only at the center of discussion on the transition to and development of its regional lithic tradition: the Rostamian (37,000–31,000 BP), but also in differentiating between plants used by humans or mere traces of the surrounding vegetation.

**Paleolithic Landscapes of Iran by Saman Heydari-Guran –**

The Paleolithic Age, or Old Stone Age, spanned from around 30,000 BCE until 10,000 BCE and produced the first accomplishments in human creativity. Due to a lack of written records from this time period, nearly all of our knowledge of Paleolithic human culture and way of life comes from archaeologic and ethnographic comparisons to modern hunter-gatherer cultures.

**The Paleolithic Period | Boundless Art History**

The vast deserts of Iran stretch across the plateau from the north-west, close to Tehran and Qom, for a distance of about 400 miles to the south-east and beyond the frontier. Approximately one-sixth of the total area of Iran is barren desert. The two largest desert areas are known as the Kavir-e-Lut and the Dasht-e-Kavir.
