the twenty-first century!

This volume focuses on the westernized universities, in the US and abroad and examines the various dimensions of the education crisis and provides a sharper understanding of the crisis and the responses to the westernized university at multiple sites around the world.

Based on the idea that philosophy is a truly exciting and accessible subject, this engaging text acquaints students with the core problems of philosophy and the many ways in which they have been answered. It acknowledges that philosophy is very much alive today but is also deeply rooted in the past--in the many traditions that converge and diverge from ancient Greece, ancient China, and ancient India. Accordingly,

the book combines substantial original sources from significant works in the history of philosophy with detailed commentary and explanation that help to clarify the readings. The selections range from the oldest known fragments to cutting-edge essays in feminism, multiculturalism, and cognitive science. In this seventh edition, the readings have been edited for clarity and conciseness and include new selections from The Economist, Robert Kane, John Corvino, Cheshire Calhoun, Nelson Mandela, Mencius, and Hsun Tsu. Each chapter is followed by a summary, a glossary, and a bibliography with suggestions for further readings. Important philosophical terms are carefully introduced within the text and also summarized at the end of each chapter, and brief biographies of the

philosophers are provided at the end of the book. Ideal for courses in introductory philosophy, *Introducing Philosophy: A Text with Integrated Readings, 7/e* presents students with various alternatives on critical philosophical issues and encourages them to arrive at their own conclusions.

WINNER OF A NATIONAL JEWISH BOOK AWARD A USA TODAY BESTSELLER "A gifted writer, astonishingly adept at nuance, narration, and the politics of passion."—Toni Morrison Set in London of the 1660s and of the early twenty-first century, *The Weight of Ink* is the interwoven tale of two women of remarkable intellect: Ester Velasquez, an emigrant from Amsterdam who is permitted to scribe for a blind rabbi,

just before the plague hits the city; and Helen Watt, an ailing historian with a love of Jewish history. When Helen is summoned by a former student to view a cache of newly discovered seventeenth-century Jewish documents, she enlists the help of Aaron Levy, an American graduate student as impatient as he is charming, and embarks on one last project: to determine the identity of the documents' scribe, the elusive "Aleph." Electrifying and ambitious, *The Weight of Ink* is about women separated by centuries—and the choices and sacrifices they must make in order to reconcile the life of the heart and mind.

Nicholas Rescher unites two facets of metaphilosophy to show that the historical perspective and forward-thinking normative, or systematic,

approach are, together, an integral component of philosophy itself.

Edited by a team of four leading philosophers, *The Norton Introduction to Philosophy* introduces students to contemporary perspectives on major philosophical issues and questions. This text features an impressive array of readings, including 25 specially-commissioned essays by prominent philosophers. A student-friendly presentation, a handy format, and a low price make *The Norton Introduction to Philosophy* as accessible and affordable as it is up-to-date.

Steven M. Cahn belongs to that exclusive class of professors who have not only contributed influentially to the leading debates of their

discipline but have also written insightfully about the academic vocation itself. This volume comprises thirteen essays, authored by Cahn's colleagues and former students, presented in his honor on the occasion of his twenty-fifth year as professor of philosophy at the City University of New York Graduate Center. The essays focus on topics that have been central to Cahn's philosophical work, such as the teaching of philosophy, the responsibilities of philosophy professors, the nature of happiness, and the concept of the good life.
