Ravage - definition of ravage by The Free Dictionary

Directed by Teddy Grennan. With Bruce Dern, Annabelle Dexter-Jones, Eric Nelsen, Robert Longstreet. When a nature photographer explains to the Police how she fought her way out of the Watchatoomy Valley, they dismiss her crazed and violent story as a meth-induced nightmare. But when they discover that she's telling the truth, it's too late.

Step into an opulent world filled with risk, romance, and revenge and find out whether two unlikely heroes can save the world and stop corruption. For seven long years, while she was imprisoned on a debtor's ship, Amaya Chandra had one plan: to survive. But now, survival is not enough. She has people counting on her; counting on her for protection, for leadership, for vengeance. And after escaping Moray by the skin of her teeth, she's determined to track down the man who betrayed her and her friends. Cayo Mercado has lost everything: his money, his father, his reputation. Everything except his beloved sister. But he's well on his way to losing her, too, with no way to afford the treatment for her deadly illness.

In a foreign empire also being consumed by ash fever, Cayo has no choice but to join Amaya in uncovering the mystery of the counterfeit currency, the fever, and how his father was involved in their creation. But Cayo still hasn't forgiven Amaya for her earlier deception, and their complicated feelings for each other are getting harder and harder to ignore.

Through glittering galas, dazzling trickery, and thrilling heists, Cayo and Amaya will learn that the corruption in Moray goes far deeper than they know, and in the end the only people they can trust are each other.

The war against BioZenith is on. In the weeks since she first came into her mysterious new superpowers, Emily has watched one of her packmates disappear through an interdimensional portal; she's been hunted by creepy, body-snatching shadowmen; she's managed to form an alliance with the same telekinetic cheerleaders who once tried to take her down; and she's even discovered that her believed-to-be-dead mother is one of the BioZenith scientists responsible for her strange abilities. Now it's up to the Deviants to put together the last pieces of

the puzzle, which includes tracking down their final missing member and forcing their parents to reveal why they mutated their own children. Emily fears the answer is far more sinister than anyone ever thought: After all, why would a parent risk a child's life unless the stakes were high—scary, world-ending high? Tired of being at the mercy of adult conspiracies, Emily forms a plan with the other Deviants: Destroy BioZenith before anyone can use the knowledge within the facility to aid the shadowmen. But that's only if BioZenith—or something worse—doesn't capture them first. . . .
