The 2.0-litre dCi has 90, 115 or 120hp.

The range-topping 2.5-litre dCi has 140hp and a six-speed manual gearbox or Quickshift 6. Trafic is an easy van to drive. Good visibility means that it's good for city work and parking isn't a problem. It cruises well on the motorway and has enough puff for overtaking.

Bookmark File PDF Renault Trafic 2 0 Dci Workshop

Usually it runs fine but on 3 different occasions the glow plug and SERV light have come on and stayed on and it has lost all power...reading the codes it comes up with fuel pressure monitoring circuit, replacing the fuel pressure sensor in the end of the rail will cure it for maybe 3 weeks but then the same issue arises.
