Safe and Sound is the second book in the Twist of Fate series by the fantastic duo of Sloane Kennedy and Lucy Lennox. These two ladies know how to break your heart, rip it out, hold in out in front of you, heal it and give it back whole. It's a gift :). We met Aiden in Lost and Found and I knew his story was going to gut me.

Carriacou Grand View: Spotlessly clean, safe and sound with a twist of peace and quiet. So wonderfully appreciated! - See 95 traveller reviews, 70 candid photos, and great deals for Carriacou Grand View at Tripadvisor.

I've been drowning for a long time. I never thought I'd find someone who knows what that's like... Self-proclaimed playboy, Aiden Vale, has it all - good looks, successful career, plenty of cash in the bank and an endless supply of men who know the score... that one night is just that. So the last thing he wants, or needs, is to forge a connection that might mean revealing more of himself than he's ready to. But when fate intervenes, putting Aiden in the path of someone who threatens to knock down his carefully constructed walls, he's quick to realize the young man he's become infatuated with is hiding a painful secret. I finally have a shot at freedom. I'll never let anyone take that from me ever again... Ash Valentine is just looking for a way out, and the last thing he wants or needs is another man controlling every aspect of his life. Desperate for the cash that will help him flee his abusive boyfriend, Ash accepts what is supposed to be a temporary job at a local coffee shop. But nothing prepares him for the gorgeous and enigmatic Aiden Vale, and the small acts of kindness the charming coffee shop regular bestows on him or the new friends he begins to make along the way. Terrified of once again becoming too reliant on someone else to take care of him, Ash refuses Aiden's repeated offers of help in any form. But when it becomes clear that there's something more behind Aiden's need to save him, Ash begins to wonder if he's found someone who needs saving just as badly. I know he wants to save me, but what if he's the one who needs saving... As their tentative friendship turns into something more, long buried secrets begin to surface. When Aiden's need to protect Ash clashes with the younger man's desire for independence, memories of the one he couldn't save begin to tear at the fragile cords of Aiden's soul, and he's forced to face a truth he's been hiding from for a long time. Threatened with losing what they've only just wanted, will Aiden and Ash find a way to accept their pasts or will they let the pain drag them below the surface for good?

The gripping new novel from the author of **LITTLE WHITE LIES**. ‘Compelling and beautifully written’ Debbie Howells, author of *The Vow* ‘Taut, tantalizing suspense’ Samantha M. Bailey, author of *Woman on the Edge* ‘Engrossing and affecting.’ Roz Watkins, author of *The Devil’s Dice*

The Sisterhood: a group of women from all walks of life bound by friendship and a quest for justice. Armed with vast resources, top-notch expertise, and a loyal network of allies around the globe, the Sisterhood will not rest until every wrong is made right. Isabelle Flanders Tookus isn’t expecting to involve the Sisterhood in a new mission when she strikes up a friendship with a curly-haired boy in her local park. Ben Ryan is an eight-year-old child genius, the grandson of millionaire Eleanor Lymen, who hired Izzy years ago to design an institute for gifted children. Ben’s mother passed away and Ben now lives with his stepfather, Connor, and Connor’s wife, Natalie. They’ve been using Ben’s trust fund to support their lavish lifestyle while shamefully neglecting Ben. And with Natalie getting greedy, Ben’s safety is now in jeopardy. Izzy’s first step: call in the Sisterhood. The second: track down Eleanor, who has mysteriously vanished on a secret mission of her own. Izzy, Annie, Myra, and the rest of the Sisters come together at Pinewood, thrilled to be united once more. Together they’ll lay a trap for Natalie and Connor, one that will protect Eleanor’s beloved grandson, get him into the happy home he deserves, and provide the kind of creative, satisfying payback the Sisters dish out so well Praise for Fern Michaels “Michaels manages to surprise and delight fans of all ages with her novel’s unexpected twists and turns.” —RT Book Reviews, 4 Stars, on *High Stakes*

Overcoming past hurts and letting love back in sometimes means reinventing everything about yourself, and sometimes means loving who you already are despite the jagged edges. Rikki's past is ugly, painful and full of blood. Simon is getting over a lover who only saw him for his uses, but had no use for his heart. From the outside, they seem like a disaster waiting to happen. From the moment Simon moves into the same house, they seem to be exactly what the other needs. Except for one small detail. Simon has never been-or wanted to be-the one in charge in the bedroom. And Rikki doesn't trust himself to keep Simon safe. So when Simon demands independence in all other things, Rikki is sure he'll have to accept a life of solitude and hold himself inside his cold shell. Meanwhile, as Simon waits for Rikki to bring the heat, his old lover is still hoping to use him one more time. Rikki is going to have to trust his instincts-and all the deadly skills he's grown to loathe and fear-to keep his Simon safe.

He promised to never leave me. But when I needed him the most, that was exactly what he did... Wilderness guide Xander Reed has spent fifteen years trying to forget the night he turned to his best friend in his darkest hour, only to find the young man who'd sworn to always have his back was turning his on Xander instead. Two thousand miles and fifteen years of building a new life in the quiet backcountry of the Rocky Mountains should have been enough to put the memory of Bennett Crawford out of his mind forever, but old wounds run deep and when Bennett suddenly reappears in his life as part of a wilderness expedition Xander is guiding, the scars he thought long healed break wide open. I'd only ever wanted to protect Xander from getting hurt again. I never considered the one he needed protection from was me.. Bennett Crawford was faced with an impossible choice the night his best friend needed him. He chose wrong. As the only son of one of the wealthiest families in New England, he should have had the world at his feet, but losing his best friend at the tender age of fourteen changed everything. And even though Bennett's managed to hide behind a mask of contentment as he takes his place at his father's side in the family business, inside he's searching for the piece of himself that's been missing ever since Xander Reed walked out of his life. Bennett's only saving grace is his work with a group of inner city kids, and when he's given the chance to show the troubled teens that there's a bigger world out there waiting for them if they just have the courage to reach for it, he takes it. But when he steps off that bus for what was supposed to be a week of fun and adventure, he's instantly returned to the past when he discovers their expedition guide is none other than the boy he let go so long ago. Only, the soft-hearted, insecure little boy Bennett once knew is gone, and in his place is a brooding, bitter man who isn't interested in second chances. People leave. I know that now and nothing Bennett has to say to me will change anything... All Bennett wants is another chance to show Xander that friendship was only the beginning. But when a stubborn Xander refuses to even hear him out, Bennett realizes he's going to need to fight dirty. Because now that he's found Xander again, he's not letting him go a second time...

Lucky Two years ago I humiliated myself by declaring my love to an older man who clearly didn't share my feelings. And that's fine. One day Zach will come around. Meanwhile, I've built a life for myself in northern Montana, pursuing my college degree while working hard toward certification in high-risk alpine search and rescue on the side. And perhaps I've kept the danger part a secret from my two dads. After all, what they don't know won't hurt them... Everything's going exactly as planned until my dads send Zach to check on me just as I'm dealing with an ex who doesn't understand the meaning of the word no. It's bad enough Zach still thinks of me as a child; now he also thinks I'm incapable of looking out for myself. I need to get him off my back before he finds out I'm not heading to Wyoming for summer break like everyone thinks. I'm going to Glacier National Park to learn how to rappel from helicopters... Zach Two years ago I wanted something I couldn't have, so I threw myself back into my job as an Army Ranger and wound up scarred in more ways than one. When the army dumps my sorry self back into the real world, it's time to start over. I accept a summer job teaching high-risk search and rescue. On the way there, all I have to do is peek in on little Lucky Reed and make sure he's okay. He's not. Someone has it out for him, and I'll be damned if I'm going to let him get hurt on my watch. My plan is to keep him safe until he heads south for his summer job playing trail guide to tourists. Once he's gone, I'll be free to head to Glacier where my biggest challenge will be keeping a handful of alpine search and rescue students safe as they learn how to dangle from helicopters high above the Rocky Mountains. It's all fine. Until it's not. Danger follows us to Glacier, and by the time I finally start seeing Lucky as more than the awkward teenager he used to be, I wonder if it's too late to convince him that this scarred soldier sees him as anything but little anymore.

Bounty hunter Jack Keller faces his most dangerous and sadistic enemy yet in this explosive Southern thriller... Jack Keller works in fugitive apprehension, and never feels more alive than when he's hunting down a skip. But when a young girl goes missing, and Keller finds out that the father is an AWOL member of the army's elite Delta Force, he knows immediately that this case will be anything but fun and games. Keller is a Gulf War vet who knows his way around the Army's red tape, but the psychological scars from his experiences in the gulf have only just started to recede enough for him to live and love again. No one is sure how taking on the kidnapping case will affect him, least of all his girlfriend Marie, who's counting on Jack's recovery if they are going to have any future together. But a young girl's life hangs in the balance, and a shadowy group of missing Delta commandos seems to be the key to finding her. For Jack Keller, it's not an easy decision, but it's the only one he can make: consequences be damned, he's going after the girl.

Oz: Escaping the international modeling scene to design my own fashion collection is the first step to shaking my bobble-headed supermodel reputation and proving to the world I'm more than just a pretty face. But the minute I have to accept roadside help from the sexy man next door, I feel like the airhead people think I am. And what's worse, the man clearly doesn't think I'm worth the time of day. But despite trying to ignore my attraction to the mysterious doctor, I can't help but be drawn to him. With every moment spent together, I begin to realize he's hiding more than just some details of his past. As soon as I start to feel like everything might be coming together for me, I realize the man I'm falling in love with isn't who I thought he was. Jake: After three years on the run for being in the wrong place at the wrong time, I've finally found a seemingly safe place to settle in Haven, Colorado. With friends, a job, and a cabin in the woods, I have everything I need to live a simple life without drawing attention to myself. Everything's fine. Fine. Until I meet my new neighbor. The gorgeous man is anything but subtle and brings color to my life that I didn't know was missing. But I learned years ago that falling in love with someone wasn't an option anymore when simply being seen with me could have dire consequences. It's time for me to run again, but I wonder if it's safe to stick around just long enough for a taste... Just when I begin to realize Oz is the missing piece to bring me back to life after years of hiding, my past catches up to me and throws everyone around me into danger. I know I should run, but what if it's time to finally stop running and make a stand, once and for all? While *Body and Soul* is the third book in the *Twist of Fate* series, each novel can easily be read as a standalone.

A uniquely silly and rebellious twist on a favourite fairy tale - with a fabulously folled cover! "Rabunsel, Rabunsel, let down your ears!..." Rabunsel has a teeny tufty tail, a twitchy nose and two wide brown eyes. She also has VERY long ears - so long that her mother worries they will make her easy bait for the hungry creatures of the forest. The answer? Rabunsel must be kept safe ... in towering hutch, high in the sky. Here Rabunsel waits grumpily for her mother's daily visit with carrots and fresh lettuce, letting down her ears so she can climb up the tower. But one day, it isn't her mother who climbs up Rabunsel's very long ears... A fearless, fun-filled fairy tale - perfect for any little reader who loves a twist in the tale! Coming soon: Cinder-Gorilla, based on the classic Cinderella!

This book traces the full history of noise in and around cars, shows how we created auditory privacy in our cars. It is about the sounds of car engines, tires, wipers, blinkers, warning signals, in-car audio systems and, ultimately, about how we became used to listen while driving.
