Linda Star Wolf created these 30 questions to help guide seekers into Soulful Recovery and Discovery...The 30 Shamanic Questions for Humanity calls those who are truly ready to make soulful changes in their lives; to journey inward and reconcile the struggles of the ego with the mission of the soul. Her deep desire to help a dear friend inspired Linda Star Wolf to birth these questions, and they have since helped many others in their continuing quests for recovery and self-discovery. These questions reflect Star Wolf's unique therapeutic skills- a powerful marriage of traditional psychotherapy and Shamanic Psychospiritual techniques. These questions are a shared journey between two willing souls; journeyers and co-journeyers alike are challenged and inspired by the penetrating calls for self-examination.Linda Star Wolf has been a vision-ary teacher and shamanic guide to thousands of people over the last 35 years. Starting out as a therapist in the mental health and addictions fields in the 1980's, Star Wolf is a nationally certified alcohol and drug counselor who draws from her personal experience of recovery from addiction. The author of several books, she is the creator of Shamanic Breathwork(r) and the founder of Venus Rising Association for Transformation, a non-profit organization, and Founder and President of Venus Rising University for Shamanic Psychospiritual Studies. Star Wolf is also the co-founder of the Shamanic Mystery Tours and takes spiritual seekers all over world to explore sacred shamanic sites.

"The best guidance there is for learning to walk the spiritual path in relationship!" Venerable Lama Ngawang Rigzdin "Reading the book is an awakening process that will make one evolve and be free." "The book will catapult readers to an extended perspective and expanded state of unity." "A Wonderful Book for couples and individuals on the path of spiritual awakening!" "An incredibly heart-melting read!" "The authors give in-depth knowledge about the destructive emotions and behavior that can restrict love." "This book will take one on a liberating path of spiritual enlightenment and it is helpful in healing physical, emotional, mental and spiritual wounds." "It is a great book for those contemplating marriage, as well as for those who feel their marriage has hit a proverbial wall!" "A must read for anyone interested in a deep and soulful union!" "A genuine and refreshing perspective!" "The book will definitely help in changing readers' relationships with their partners if they are married and, if not married, will help them in choosing the right partner." " The book is a gem with many facets! Each part is a meditation in itself!" The Esoteric Path of Marriage is the Enlightened relationship book for the New Paradigm. It is comprised of practical guidance, universal truths, insights, stories and spiritual practices to help lead marriage to its highest purpose: a relationship that heals mental, emotional, sexual and spiritual wounds and guides the partnership to the ultimate freedom, union with the true Self. Whether this is your first exploration of the inner-Self or you have long been on an inward journey, this book will transform you and your relationship with your partner. Single? It will open up your ability to have more conscious, new paradigm, Enlightened relationships in the future.

Utilizing the healing power of breath to change consciousness • Explains how to enter altered states of consciousness, increase paranormal abilities, and resolve old traumas using breathwork • Introduces the Five Cycles of Change that bring about major life shifts and how to work with them Incorporating psychospiritual tools with her Shamanic Breathwork practice, Linda Star Wolf shows how to spiritually journey in the same way shamans entrain to the rhythms of drums or rattles using the breath, either alone or together with music. Much like traveling to sacred places or ingesting entheogens, this practice can be used to enter altered states of consciousness, connect to cosmic consciousness, increase paranormal abilities, and awaken the shaman within. Breathwork can also be used to resolve old traumas and shapeshift unproductive modes of thinking in order to move beyond them. Utilizing the healing power of breath along with chakra-attuned music, Linda Star Wolf explores the Five Cycles of Change—the Alchemical Map of Shamanic Consciousness—and how these cycles affect you as you move through major shifts in your life.

The fifth book in the Soulful Truth Telling series, Why Isn ' t This Marriage Enough? is for the woman who has everything she ' s ever wanted: the nice husband, the healthy kids, the big home, even the career of her choosing. They have enough money, take family vacations and their kids are in a good school and thriving in their extra-curricular activities. From anyone else ' s perspective, her life looks enviable. So why isn ' t this enough? She married for safety and security. She married the good guy who wouldn ' t hurt her. She plays the role of super-mom, because she can and because she can ' t seem to say no to anyone, but her husband. But after long days of caring for everyone else, connecting with her husband in any meaningful way feels like a chore, like he ' s one more person that needs something from her. She has love for her husband, the father of her children, but she fears she ' s fallen out of love with him. She chose this path, this marriage, this life – so why does she feel so empty and alone? If this isn ' t enough, will it ever be enough? What would it take to feel happy? Is that even possible? What kind of miracle is needed for this – all of this – to feel good? Why Isn ' t This Marriage Enough guides women to find the answers to that important question and explores whether the marriage can be transformed into a relationship that feels like more than enough.

Exploring what the author calls the "shaman-poets"—Walt Whitman, Herman Melville, and Emily Dickinson—this book demonstrates how far ahead of their times these writers were in forecasting developments of our current time. It was Whitman who first wrote of "Spiritual Democracy" as a vision of transformation and global equality. Steven Herrmann delves deep into the visionary expressions of this idea of Spiritual Democracy—"the realization of the oneness of humanity with the universe and all its forces"—in these early American writers, showing the influence the groundbreaking work of the geologist and thinker Alexander Von Humboldt had on Whitman and others. Writing that every member of the global community regardless of color, gender, or sexual orientation can realize these freedoms, the author explores how one can tap into the vitalizing source of equalizing, vocational energy to bring a sense of purpose and peace. Although the book shines as a work of literary criticism, the author's insights as a Jungian psychotherapist take the reader ever deeper into the creative impulses of Whitman, Melville, Dickinson, and other poets in their crafting of the seminal notion of Spiritual Democracy. In addition, Herrmann offers practical methodologies for personal and global transformation in the section, "Ten Ways to Practice Spiritual Democracy." Table of Contents
Visions of Spiritual Democracy - Introduction 1. Cosmos 2. Spiritual Democracy as a Science of God 3. From Humboldt to Jung 4. Jung on Spiritual Democracy 5. Healing the National Complex 6. Whitman's "New Bible": The Foundation of a Religious Vision 7. Walt Whitman's Global Vision 8. The Bi-Erotic as Transcendent Sexuality 9. Noted couples therapists Jim and Ruth Sharon draw on over forty years of professional and personal experience to offer useful perspectives, tools and practices to cultivate a soulful relationship with your partner. Combines insights from psychology, the world's spiritual traditions, and the experiences of many kinds of committed couples.

We all crave intimacy. It's essential to our emotional and spiritual health, and without it we don't feel whole. Yet today our culture faces an intimacy crisis. Many of us, even when we're in a committed relationship, still feel painfully alone.For more than four decades, world-renowned author, counselor, and teacher Manis Friedman has empowered couples to successfully navigate their own intimacy issues and replace loneliness and unfulfilled expectations with a deeply soulful and satisfying relationship. In this refreshingly frank, sensible, and at times humorous guide, Rabbi Friedman and Ricardo Adler share the deeper truths at the heart of our longing for intimacy along with practical wisdom from Jewish tradition-insights anyone can use to recapture passion, save their relationship, and tap into the essence of the true intimate experience.One by one, The Joy of Intimacy exposes the myths about love, sex, and intimacy that separate rather than bring us together and shows how to overcome the greatest obstacles to a healthy intimate relationship. You'll explore secrets to preserving your natural spontaneity, setting the mood for intimacy, and making your bedroom a sacred space. You'll also learn how to increase your sensitivity to the sacred experience of oneness that has the power to transform every aspect of your marriage and nourish all those around you.Whether you are married or single, in a relationship or seeking to create one that is both meaningful and lasting, The Joy of Intimacy will give you the skills and confidence you need to keep your relationship alive, fresh, and fulfilling.

This work applies a shamanic dimension to psychology and psychological analysis to the notion of shamanism. It tracks the primal practices of the religious life through literary as well as anthropological sources and provides an analysis of contemporary and ancient shamanic practices.
